NEWS FROM PSSA'S GRANTS ADMINISTRATOR

Hello, PSSA members,
Happy summer!

Below is a "Grants Program Update" report that I submitted for the PSSA membership meeting in May. It

describes the status of PSSA's grants projects. We will soon open up a round of mini-grant applications so club presidents or mini-grant contacts should keep an eye on email and US

postal mail for an announcement this summer. The mini-grants would cover mid to late summer, fall, and early winter projects.

There is also a small amount of funds available from earlier grants, so if your club has an emergency project, begin gathering information to apply for these funds. PSSA will determine the amount of funding based on project needs.

Lori Elliott

Hello from the Laurel Highlands. The spring cleanup has begun at the clubhouse. Our workday was on Saturday, May 12th. The few volunteers that turned out serviced the equipment, and began ground maintenance. There are more projects available for anyone with the time or skills to join in. There is a fence to repair, a track to prepare for the races, the clubhouse interior cleaning, gutter work on the storage building, mowing, weed eating, etc. If you would like to help out, please contact a board member. We are always looking for assistance.

Some of our club members attended the PSSA spring meeting at the Ramada Inn located in State College, Pa. on May 5, 2018. For \$25, you receive the latest news from around the state, a delicious sit down dinner, coffee, pop, iced tea. Also available all day were drinks, cookies, and snacks. It was great to see many old and new friends at the meeting. Thanks to the president, Liz Krug, the board of directors, regional representatives, and volunteers who make the meeting a success. The regular meeting was held with discussions about trail improvements in each area. At the luncheon awards were handed out for the Snowmobiler, Teenager, Dealership, and Government Officials of the Year as well the President's Choice. Congratulations to all of the nominees and the recipients. There were plenty of stories, laughs, fund raisers, and information being passed around. We all had a great time!

Laurel Highlands nominated Jim Tweardy as Government Official of the year, and he won. Jim Tweardy is married with 2 kids. He has been a DCNR Ranger since 2004 and a snowmobile safety instructor since 2005. Let's start at the very beginning when we first met Jim. He was

LAUREL HIGHLANDS SMC

PSSA Forest Official of the Year
James Tweardy

taking the snowmobile safety class along with a total of 5 DCNR Rangers. They all came in uniform and were driving DCNR vehicles. We have always had a rule for bringing a child between the ages of 10-15 to the class. If you bring a child you plan on staying the day and taking the class with your child or grandchild. This has always been our rule for the class. Strange as it seems DCNR now has a policy encouraging clubs to educate adults as of January 1, 2018. Our club has always held the class for both children and adults at no charge and we feed you. Our policy must be working because over the decades we have between 42-58 students in the class. Getting back to Jim Tweardy and the class, he listened carefully and participated as he waited for the test. At the conclusion of the class, he asked how he could become a snowmobile

safety instructor. He then offered his services to assist us with future classes. I gave him the paperwork to become an instructor and the rest is history. That was in 2005. During that time he has been very faithful to the Laurel Highlands Snowmobile Club, and our mission of promoting a family friendly sport. He has family in Uniontown, Pa. creating another reason to get involved. In the beginning, he was employed for DCNR in our area. After a few years, he was transferred to the eastern part of Pa., but was still very much involved in the club. He has never missed a safety class in all those years. When he was located in the eastern part of the state he still made the long trip to Laurel Highlands for the class. He not only comes for the class, but to enjoy the great Laurel Highlands hiking trail. He has attended a club banquet and meetings at

the club. He has represented DCNR educating us in December on the trails and law update. While stationed in our area, Jim was a ranger who welcomed the chance to be on a snowmobile. He enforced the law in a friendly manner, he gave assistance to those in need, and he was readily available for information. He could be found on the trails and in the parking lots. He has a personality that can immediately put you at ease, and makes him highly effective at his job. Another thing Jim does for the class and in general, is to provide us with information to hand out to all students. Jim also gives me additional pamphlets, maps, etc. for the club members all year long. We have at the clubhouse a huge bookrack that is always stocked full with the latest material for all to take and use. My wife and I have 6 children, 4 girls and 2 boys. I have said if we had a 7th child, my wish would be it would be someone like Jim. There is one last thing Jim Tweardy did for my wife and I. I knew Jim had a license to marry people. I also knew of a DCNR Ranger that Jim preformed the marriage for. On June 9, 2017, our son and his girlfriend were united in marriage by Jim Tweardy. Thank you Jim Tweardy. Today Jim Tweardy is back in our area at Yellow Creek State Park located in Indiana County as park manager.

Go to lhsc.net or our Facebook page for more information and photos about our club, workdays, club meetings, drag races, etc. The next meeting is Thursday, June 14th at 8 PM. Hope to see you there!

KELLNER SNOW TOURS

Kellner Snow Tours LLC, conducted our first trip beginning Feb 18, 2018 at the Hotel Roquemont in St. Raymond, Quebec and traveling back to the the Roquemont on Feb. 23, 2018.

The 33 riders and 7 support personnel arrived at the Roquemont on Saturday, Feb 17, as required, to be ready to hit the trails Sunday morning. As we were eating supper we learned that Tom & Vickie Werkheiser and their friend, Marty Fella, were stuck in Albany NY with transmission troubles. We were advised that the Werkheiser's sons were driving a replacement truck to Albany (a nine-hour round-trip in a snow storm) so they could complete the drive to the Roquemont, arriving before midnight.

Everybody was at breakfast early Sunday morning in anticipation of the day's ride. After a brief safety meeting, we went outside and divided into four guided groups. The trails were in excellent condition on a bright sunny day, and we were on our way to Hotel Marineau in La Tuque. As we arrived at the motel and were met by our support truck drivers, Chad & Danielle Ingalls, we learned that two sleds had developed mechanical problems on day 1. Chris Weisheit had clutch trouble with his sled, but was able to get it repaired Monday morning and ride with his group. Dustin Metzgar, who resides in the state of Washington and came home to ride with his father, Harold

(Bud) Metzgar, had suffered terminal engine damage approximately 1 mile from the motel. After some discussion, it was decided that the next morning Dustin and his friend Jim Agins, would sled back to St. Raymond and return to La Tuque with their truck and trailer, pick up the broken sled and then stay the night in St Raymond. Dustin would then rent a sled so they could rejoin the group in Jonquiere.

Monday morning the groups left for the Hotel Chateau Roberval, Roberval, taking different trails as decided by the group and their repective guides. Again the trails were in excellent condition, and all arrived in Roberval during the afternoon.

Tuesday morning again brought more good weather and excellent trails going to the Delta Saguenay, Jonquiere. Again different routes were mapped out around Lac Ste. Jean. All groups arrived at the Delta in the afternoon and the Metzgars and Agins rejoined the tour for dinner.

Wednesday morning we awoke to find that there was some rain during the night, which left some ice on the trails, but more rain fell-heavy at times-during the day's ride. Our destination was the Fairmont Le Manoir, commonly known as the Castle, in La Malbaie, Charlevoix. Going down the trail, which

even with the rain was in good condition, we came upon a mishap, where a sled went off trail. We learned it was one of our group, Sue Deily Hoffman. She was not injured, but the same could not be said for her sled as the steering post was broken. Along with some helpful Canadian riders, we got her sled out of the brush and onto the trail so that guide Carl could tow it to a nearby town, where the support truck picked it up. Sue was now a truck rider for the remainder of the trip. We all arrived at the castle, awaiting the many amenities and good food.

Thursday morning we awoke to colder weather, resulting in some icy and hard-surface trails. Despite some overheating issues, we continued on since our luggage was headed to the Auberge La Camarine, Mont. Ste. Anne Beaupre. While heading down trail 3, we came to a water crossing that was impassable, most likely from the prior day's rain. With some common sense and good luck we found a way around the crossing and were once again on our way so that all groups arrived by 6:30PM.

Friday the last day was uneventful and we again enjoyed excellent conditions, thanks to a groomer softening the trails overnite and everyone arriving back at the Roquemont in St. Raymond by early afternoon. We shared

memories and stories over our final evening's dinner together before all heading for home the next morning. Hard luck awards were presented to Sue & Dustin.

It was an enjoyable week, the food and accommodations were excellent, and the trails largely good to very good. We trust Don Kellner would be pleased to know that his legacy continues as nearly every member of the group had ridden with Don in years past. A lot of interest was expressed in another trip being planned for next year to continue the tradition. Kellner Snow Tours LLC thanks all of the riders for their cooperation, patience, and enthusiasm, during the challenges of the week; the guides Randy Moyer, Wayne VanScoy, Jeff Klein, and Carl Mindler; and the support truck drivers, Chad & Danielle Ingalls.

HYNER MOUNTAIN SMC

Hello from Hyner Mountain Snowmobile Club. Just want to let everyone know what has been happening up on the mountain.

Well, spring is here in full bloom, and things are running pretty slow at the lodge. We have our spring work weekend each May. This is the weekend that we do some cleanup from the winter season - both inside and outside of the lodge. Plus, we complete a few projects to include litter pick-up along Rt. 44.

Yearly, at our June meeting, things are scaled back and much more relaxed. Our annual chicken bar-b-que is also held at this time. Quick meeting, then relaxing the rest of the afternoon and hanging out together at the lodge...food included of course!

Well that’s about all for now. Talk to ya next month.
THINK SNOW!!

Alumacraft continues to lead the industry in solidly, well-crafted aluminium fishing boats. Their 2XB hulls, larger one-piece, hardened heavy-duty keels and over-sized spray rails give you a drier, smoother ride – giving you peace of mind that you've made the right decision.

MTRSC nominated Fletcher's Sales and Service for the PSSA "Snowmobile Dealer of the Year" award this past spring. Terry Fletcher donated a new Arctic Cat snowmobile last fall to the Marienville Trail Riders Snowmobile Club (MTRSC) as a fundraiser in honor of long time Club Director Ed Fiejdasz who passed away a year ago last March. Ray Bish, President of MTRSC presented the award

to Terry on behalf of PSSA, which held their annual membership meeting last month. According to Ray Bish, the profits of this donation will allow the MTRSC to improve trail conditions and help the club to pay for maintenance of the club's two groomers.

Fletcher's have been in the Snowmobile business since 1968 selling Arctic Cats and Triton trailers. Terry took over the business from his parents who started the shop out of their home. Fletchers sold Polaris for the three years when Cat did

not make machines from '82-83. The new co-owner of Fletcher's is Tim McKain from Meadville, Pa and is very confident that Chad Thurber will continue to provide great sales and service to its customers. Chad has ordered 16 new machines from Arctic Cat for this year with two, 2018 models leftover from last year.

Remember! The best snowmobiling is safe snowmobiling.
