LAUREL HIGHLANDS SMC

Hello from the Laurel Highlands. It is official! Drag races will be held again this year at the Laurel Highlands Snowmobile Club. The dates are as follows: Sunday, September 16 and Sunday, October 14. The races are on Sundays because it takes a day just to set up and prepare for the races. Any and all questions about the drag races can be answered by contacting Shelia Knupp at grassdraggers@hotmail.com.

The grass cutting crew is back at it for another year. We have the following men involved: Allan Knupp, John Felice, George Sweigard, Joe Klink, and Jim Wilkinson. We meet at a local restaurant for breakfast and then go and mow. While mowing our 20 acres of grass we will take a break to have a snack and a cold drink. We have a great time and get a lot done.

The club is looking for some board members. If you are interested please contact a local board member. Go to lhsc.net and find out who is on the board.

In closing, I want to once again thank "Team Bob" for plowing our parking lot during the winter. These men are Bob Ainsley and Bob Nichols. They belong in the Ripley's Believe It Or Not. They have been plowing since 1972.

Mark your calendars, our annual hayride and picnic is Saturday, August 11, at 6:00 PM. Come join the fun!

The next board meeting is Thursday, July 12, at 8:00 PM. The workday is Saturday, July 14, at 9:00 AM, at the clubhouse.

Until next time, live life to its fullest.

Jim Wilkinson & Shelly Buckles

PA GRAND CANYON SMC

The spring season is always a busy time of year for us with our annual Upper Pine Creek Trout Tournament held each May, which is always the weekend after Mother's Day. This year we had a whopping \$14,000. in cash and prizes on our big prize board with 408 registered participants. This year, there were two \$500 cash prize winners along with the top prize of \$1,000. in cash also being taken. The angler has to catch one of the club's 250 tagged fish; bring the fish in "live condition" to the check-in station at the organization's clubhouse on Route 6 and then draw a numbered Ping-Pong ball. The number on the ball is then matched with that number on the 8 x 16 foot board on our front porch that identifies what prize is won.

Now with our tournament behind us our attention has turned to our Adopt A Highway cleanup program. Our clubs' two-mile stretch of RT. 6 started just west of the clubhouse and ended at the Log Cabin Inn at the town of Rexford.

Our cleanup took place on June 16th on a beautiful morning with a fair amount of traffic as it was also Laurel Festival Weekend in Wellsboro. During the 1-1/2 hours we collected trash we filled 12 bags helping to beautify the Canyon area. This trash collection was a noticeable improvement from last year. Last year we collected 21 bags taking us approx. 3 hours. That's the kind of trend we like to see moving forward! (See photo on front page!)

The months keep flying by and it won't be long before we'll be looking at trail clearing time and thinking of what we all love -SNOW!

Our next club meeting will be on Saturday, August 11th at 7:30pm so if you're in the area please stop by as you are more than welcome to join us.

'YEAR OF THE TANKER' AT EAA AIRVENTURE OSHKOSH 2018 BRINGS BIG IRON TO FLIGHTLINE

Editor's Note: Each July, your Keystone Snowmobiler Editors and Publishers make an annual trek to Oshkosh, Wisconsin where 10,000 aircraft arrive for a week of "Aviation Saturation"! If you are even remotely interested in anything related to things that fly, join us for an experience you'll talk about forever.

The Air Force Reserve is celebrating its 70th anniversary at EAA AirVenture Oshkosh 2018, bringing its impressive fleet of military refueling aircraft as part of AirVenture's "Year of the Tanker." The 66th annual Experimental Aircraft Association fly-in convention is July 23-29 at Wittman Regional Airport in Oshkosh, Wisconsin.

The Air Force Reserve Command, which encompasses nearly 70,000 Citizen Airmen, will bring operational aircraft to Oshkosh in 2018 and participate in a unique display showcasing the past, present, and future of tanker aircraft.

"We are honored that the Air Force Reserve will mark its 70th anniversary at Oshkosh, as it is a perfect place to showcase the Reserve's aircraft and Citizen Airmen," said Rick Larsen, EAA's vice president of communities and member programs, who coordinates AirVenture features and attractions. "Its presence will make the 'Year of the Tanker' possible, but it will feature other aircraft and programs during the week."

Air Force Reserve Command aircraft will participate in the daily air shows at AirVenture 2018,

and be displayed on Boeing Plaza throughout the week. Reserve Citizen Airmen will also participate in WomenVenture, creating opportunities for all to meet and connect in an event designed to encourage and inspire the next generation of women in aviation. In addition, there will be special forums and programs highlighting the Reserve's mission around the world in support of military and humanitarian operations.

"The 70th anniversary of the Air Force Reserve is a superb time to tell the story of our Citizen Airmen who provide a tremendous amount of operational experience to the Air Force mission and for aviation fans, there's no better place to demonstrate that than at Oshkosh," said Lt. Gen. Maryanne Miller, Chief of Air Force Reserve, Headquarters U.S. Air Force, Washington, D.C., and Commander of Air Force Reserve Command, Robins Air Force Base, Georgia. "Innovation is in our DNA, and it comes from the diverse experience our Reserve Citizen Airmen bring to the mission from various communities across the nation."

EAA AirVenture Oshkosh is the "World's Greatest Aviation Celebration" and EAA's yearly membership convention. Additional EAA AirVenture information, including advance ticket and camping purchase, is available online at www.eaa.org/airventure. EAA members receive lowest prices on admission rates. For more information on EAA and its programs, call 1-800-JOIN-EAA (1-800-564-6322) or visit www.eaa.org.

FOREST COUNTY SMC

June isn't the season for riding, but the work on the Snowmobile Trails continues.

With a much appreciated PSSA Grant, we were able to do some much needed trail mowing on trail areas that are maintained by the Forest County Snowmobile Club as well as the Marienville Trail Riders Snowmobile Club. This trail work is necessary to make the trails safer for riding and grooming. These trails are also used by horseback riders, hikers, and some dual use trails with ATVs. When we were out on Trail 14, we encountered a large group of horseback riders who were very appreciative of the work we were doing.

We are also doing repairs and maintenance on our Tucker Groomer. Our Club President, Terry Wood and his lovely wife Paulette were able to schedule their 40th Wedding Anniversary trip to New England around the need to drop off the transfer case for the Tucker for repairs and pick it up several days later on their way home. Thanks Terry and Paulette.

PENNSYLVANIA SNOWMOBILE DEALER HISTORY 1960's-70's

In early 2017, we started putting together the history of people and businesses that sold snowmobiles "back in the good old days". After starting with York County, the momentum was already going and we expanded it state-wide. And we need your help!

Snowmobiles started to become popular in the early 1960's. By 1970, there were about 130 different manufacturers, and there were more than 265 brand names of snowmobiles being sold!

Snowmobiles could be bought at small "mom & pop" shops, (often in garages), as well as at large stores such as Sears, Montgomery Ward, and JC Penney.

During 1973-75, the so-called "energy crisis" combined with several poor snow winters spelled the end of many of these manufacturers and brands.

Today, there are four (4) major manufacturers of snowmobiles. That number has remained constant since the 1985 model year. We are interested in the places that sold snowmobiles not later than 1982-84 or so.

We are attempting to record the history of as many of the "old time" dealers that sold snowmobiles as we can. They are listed in alphabetical order by Counties, then alphabetically by Town names. What is included below is just a small sample.

The number in (-) behind each County name is the total known so far. The second number is the number of snowmobile dealers in that county today, if known.

We have 45 counties so far, of 67 total. Please help us with the rest!

MARIENVILLE TRAIL RIDERS SMC

Trail 1 of the Allegheny National Forest Seeing Three Improvements

Thanks to the cooperative efforts of the US Forest Service and the three local snowmobile clubs that help provide grooming for this and surrounding trails, Trail 1 will see improvements. Terry Wood and Larry Martin from the Forest County Snowmobile Club are making improvements near the Dunham Siding as well as finishing up on trail mowing. These funds were part of a PSSA grant. All three clubs de-obligated their leftover funds from this past winter grooming monies to help pay for repairs on their groomer. Some of that same funding is being used by The Highland Snowseekers for Trail 1 improvements near Route 6 north of Kane, Pa. Jim Wolfe and Rich Hayes are overseeing that project. It involves cleaning of ditches, installing drain pipes and elevating the trail.

Down in Marienville, the Marienville Trail Riders Snowmobile Club members, Dan Stevenson, Joe LeClaire and Jerry Thornton are using leftover monies to purchase gravel. This material will be used to smooth out a 2-mile section from Greeley Farm Road north along side of the Tennessee Gas pipeline. The ditches will also be cleaned out on this section.

Thank you to all three clubs, the US Forest Service, PSSA and DCNR. The clubs would like to thank PSSA Grants Administrator, Lori Elliott for all of her years of service to our clubs and wish her the best of luck in the future. The clubs are also looking forward to working with Julie McKenzie from Wanner Associates. Julie will be our new PSSA Grants Administrator.

Jerry Thornton

The pictures show the before and after photos of Trail 1 along the Tennessee Gas pipeline right of way. The gravel has not been spread yet because it was still too wet.

A QUOTE TO NOTE

It is an impressively arrogant move to conclude that just because you don't like something, it is empirically not good.
