MOVING FORWARD

Happy Summer!

I am glad there are people who love the high temperatures and high dew points we have been experiencing. I would hate to see all of these "good" days go to waste. I enjoy the low 70's and low dew points myself. (Erie did not receive the final inch of snow needed to break all records for the area.)

As stated in the last Moving Forward article the Board is analyzing our various activities and sponsorships. We need to continually ask ourselves how this activity or sponsorship is promoting PSSA and increasing snowmobile recreation in general. Is there a better way?

We know social media is the means of communication for many today. I myself like to have the newspaper in hand but I am learning to use the internet and Facebook etc. to inform our readers of the news and information. Should PSSA do more communicating with these tools?

Visit the website: www.pasnow.org The Website Committee has made changes to our site. Hopefully it is easier to navigate and more informative of our Association. We are now beginning to accept sponsors for various segments of our website. Contact Kathy Woolever if you are interested or want more information. It is a great way to showcase your business or club.

Your support of the PowerSport Show is needed. Please encourage potential vendors to contact Kathy Woolever for information. Volunteers should contact Travis Mathna. Their information is on the inside cover of the Keystone Snowmobiler.

The Pennsylvania State Snowmobile Association (PSSA) is continuing to communicate with the Department of Conservation and Natural Resources. It is important to all of our Regions that those who do not have a Director nominate someone. This is the means by which you will be heard in any future negotiations concerning a registration fee increase. Directors are needed for the following Regions: 2,4 (EAST),6,7,10. Call one of the officers if you are interested or need more information.

Please return your current Voucher Raffle Tickets to Kathy Woolever at the Palmyra office by July 29th. This drawing will be held at the Board Meeting on August 4, 2018 in Clearfield. Your willingness to sell these tickets is appreciated.

NEWS FROM PSSA'S GRANTS ADMINISTRATOR

Greetings, PSSA members,
It has been an interesting start to my new role as PSSA Grants Administrator. As I work to close out Round 1 (DCNR Round 22), Round 2 (DCNR 22) is beginning. Lori is just a desk away and until I get acquainted with the ins and outs of PSSA and DCNR, I am grateful for her counsel.

PSSA Club Mini-Grant Coordinators, thank you for your timeliness in remitting closing reports. I appreciated reading about the projects and seeing the before and after photos!

We are still waiting to hear about approval of the April 2018 application to DCNR and anticipate receiving word in the Fall.

I have enjoyed meeting PSSA members, virtually via email and phone, as well as learning about the environmental benefits that PSSA members bring about through Mini-Grant funded projects. As always, do not hesitate to contact me with any questions or concerns.

Best, *Julie McKenzie*, PSSA Grants Administrator

Howdy, Howdy! From the top of the mountain, Pigeon Hill Road, Germana, PA. I hope everyone's summer vacations are going well. It's so great to spend a week in the mountains enjoying our many scenic landmarks.

Well, we had another lean snowfall season, had some good riding, also had some not so good riding. I just wish mother nature would give us a good old snowy winter, December through April, just one more time to remind us of the way it used to be up here in the north. I would gladly take 1,000 – 1,500 miles PA riding and 100+ hours of grooming over what the last 4 years has brought us.

We had a very wet spring in Tioga County this year. It was tough getting my crops planted on time, and it also made me get behind on mowing grass. All is well now and as always, we get through adversity.

If you get a chance to stop by the clubhouse, you will see we have been busy improving our premises. We have built 2 new gravel parking

GOD'S COUNTRY BLACK FOREST SMC

areas, removed the old loading ramp and installed a new treated 6X6 loading ramp which is safer and higher. Also, we had a Prinoth Factory technician do a complete 500-hour service on our BR-180 groomer and drag. Our unit is all ready for winter. All these projects were made possible through the P.S.S.A. and D.C.N.R. mini-grant program. Without these grant monies, many of our projects could not have been completed. Thanks again to P.S.S.A. and D.C.N.R. and a special thanks to Lori Elliott (P.S.S.A. Grant administrator) for all the help and patience with me while applying and completing the paperwork involved for these grants. Myself, Wanda and God's Country Black Forest Snowmobile Club wish you good luck in your future endeavors. Through the past 5 or 6 years, the friendship we have developed is very important to Wanda and myself, and we appreciate all you have done. I am sure Julie McKenzie, the new P.S.S.A. Mini-Grant

Administrator will do a fine job and we are looking forward to meeting and working with Julie.

Hello from the Laurel Highlands. We have spent the summer on the upkeep of the club and grounds, as well as preparing for the race and riding seasons. Our next club event is the general meeting on August 9th, 8:00 PM in the clubhouse, followed by the workday on August 11, at 9:00 AM to set up for this year's end of summer picnic.

The mowing crew of Allan Knupp, Joe Klink, John Felice, George Sweigard, and Jim Wilkinson have been hard at work trying to find time between the numerous rains and thunderstorms in our area. Somehow they manage to keep the grass looking great. This will help with the races too. Thank you gentlemen for all of the hard work, and volunteer time. This weather has not been cooperating.

August 11 will be our annual club picnic at 6:00 P.M. held at the clubhouse. This will be a covered dish event with the famous hayride hosted by charter member Bob Ainsley. He takes us for a very enjoyable ride through the beautiful Laurel Highlands. Rumor has it there may be several antique vehicles in attendance at the picnic. Therefore, the DJ in attendance will be playing Car Cruise Music which are the oldies from the 50's and 60's. We will provide the paperware, condiments, corn, burgers, and hot dogs, as well as water and pop to drink. This is a fun day for the whole family!

The Drag Races will again be held at the Laurel Highlands Snowmobile Club. Dates for this year will be September 16 and October 14. The races include stock, modified, vintage, and mini sleds from all over competing for the cash prizes. There are timed classes as well. Come on out and register to race or spectate. Gates open at 8:00 AM, time trials begin at 11:00. Spectator fees are \$8 without a pit pass and \$12 with. Parking and food concession are on site. Any questions about the races - email Sheila Knupp at grassdraggers@hotmail.com.

The local newspaper, The Mount Pleasant Journal printed an article about the weather. "The severe weather that made its presence felt in Westmoreland County (Mount Pleasant and Hempfield Townships) the evening of June 27 was indeed confirmed to be a tornado." The National Weather Service made that declaration the next day. According to the National Weather Service, "the tornado began in a field between the Pennsylvania Turnpike and Brinker Road, where it caused damage to trees and a barn". There were no injuries reported as a result of the storm by the storm even though the owners were home. At the time of the storm the Mount Pleasant Fire Department was having their annual street fair. Jerry Lucia, Mount Pleasant mayor and chief of the fire department, said an alarm was sounded at about 8:15 P.M. "We set off our emergency alarms for disaster" Lucia said. We had about 1,000 people at the fair. We made an announcement and took them into the fire department's social hall and protected everybody there. Nothing was damaged and there was no damage in town at all. I took special interest in this weather because I live within a mile (by the way the crow flies) of this tornado.

Until next time - live life to its fullest!

USED SLED CORRAL 2018

This will be another great year for the PSSA Powersports Show Used Sled Corral. The Used Sled Corral has become one of the most popular features of the show, and this year we'll again enjoy that excitement with the show at Lebanon in October.

The building at Lebanon allows us to offer "drive-thru service" for unloading and loading of sleds and trailers. Persons wishing to bring units in for consignment will need to complete the necessary paperwork prior to driving into the building.

We've mentioned Used Sleds (snowmobiles) and Trailers, but don't forget we also include ATV's and Motorcycles. If you have something to sell, or are looking to buy, this is the place where you can see a larger selection than you'll find anywhere else. The Powersports Show has very often had more than 100 used snowmobiles and more than 30 used trailers for sale. You folks all across the state — here is your opportunity to turn those used machines into cash, so make plans now to bring them to Lebanon in October.

The Used Sled Corral has always been a very fun place to volunteer some of your time during the show. We are looking forward to our many dedicated volunteers helping us once again at Lebanon. If you are an "old faithful" or somebody new, please contact us for more information about volunteering. Call us at 717-633-5051, or e-mail : keystonesnowmobiler@comcast.net

Thanks in advance,
Peggy & Henry Hartman

Dealers are always welcome to bring used sleds and other units into the Corral. It's the best way to find a buyer for that machine that's been waiting for just the right owner. Private sellers and dealers alike are encouraged to contact us with basic information of the machines you'll be bringing to sell. Your sleds, trailers, ATV's and motorcycles will be listed right here in the Keystone Snowmobiler in the September and October issues. Remember that the deadline is always the 10th of the month prior to publication. Contact us by Aug. 10th to be in the September edition, and by Sept. 10th to be listed in the October edition.
