THE PSSA WEBSITE, FACEBOOK AND KEYSTONE SNOWMOBILER

❖ Most news/information can be found on our website: www.pasnow.org

❖ On the Home Page there are tabs across the top. If you want information on an area or club click on the Directory Tab. A map of PA will appear with the Regions indicated. Click on any Region and the Regional Director Information will appear. Click on it and all the club information will appear.

❖ Clubs are requested to send their upcoming events to our website, Facebook and the Keystone Snowmobiler. We do receive calls concerning events. We need this information.

OUR LEGISLATORS

❖ PSSA is working with local Legislators and DCNR to develop a plan to level the "playing field" and direct more money to PSSA and the clubs. Clubs help groom and maintain over 2500 miles of trails on private land, the Allegheny National Forest and some state trails.

❖ Contact with local Legislators is important to our sport. They vote on situations that can affect use. Therefore, clubs are asked to attend local meetings and offer to take local legislators on a snowmobile ride. Let them know what is needed in your area. We need their help.

❖ Thank you to clubs for all their work and planning they do to make the trails safe.

Liz Krug, President - Think Snow Plan Ahead:
PowerSport Show - October 26, 27, 28
Lebanon Expo Center - same as last year.

Membership Meeting - April 27, 2019
- 9am - Ramada Golf and Conference Center - University Park - same as this year.

MOVING FORWARD

The Pennsylvania State Snowmobile Association extends many thanks to our Emergency Management Teams (EMT's), Firemen, Police and all other organizations who helped and continue to help their fellow human beings during this time of devastation caused by Hurricane Florence. Thank you. (Larry Martin, Region One, West Director is an EMT.)

YOU CAN HELP:

❖ The upcoming Power Sport Show is in need of vendors and volunteers. Any amount of time you can give is welcome. Contact Travis Mathna at: 717-677-8089. You should have received tickets for the Blizzard Trailers and ATV. Return sold tickets to the Palmyra Office as soon as possible. You can also request extra tickets as well by contacting Kathy Woolever by EMAIL at: member@pasnow.org

❖ Anyone who has pictures or articles promoting snowmobile recreation in a positive way is asked to send them to our website, Facebook and Keystone Snowmobiler. We need to promote our sport.

❖ Regional Directors are our contact with the grass roots snowmobiler. If your Region does not have one contact the PSSA office for information.

LAUREL HIGHLANDS SMC

The weather has been a major factor this year concerning when school starts, what events take place at the club, and when we can mow. Unacceptable levels of mold in the air prompted several districts to delay the opening of schools in our area and also throughout the state. The mold was due to excessive moisture through the summer months. Some school districts had early dismissals September 4, 5, and 6 due to the heat. Other districts delayed or closed September 10 due to flooding. Weather is a complicated and important topic for us all, whether it results in the delaying of grass cutting, school openings, drag races, or the start of riding season. With the fall weather, we are still seeing a mix of warm, rainy weather. Our hope is that the moisture will stay as the cold temperatures set in. This could result in a winter to rival the winters of old. We keep working on perfecting the snow dance and hoping that all of the delays coming up are due to snowfall throughout the area.

The Drag Race Season is in full swing. Our first drag race was held Sunday, September 16. Thanks to all of the many volunteers who have coordinated through Brad Hoover, and Sheila and Allan Knupp to get the event rolling. We do not have the results or photos for this issue due to submission deadlines. Stay tuned to the next issue for the results and details about all of

the action. The second race will be on October 14, at the clubhouse. The gates open at 8:00. Time trials begin around 11:00. The spectator fee is \$8.00 or \$12 for a full-access pit pass. There is food concession on site. As always we can't wait to see the action and how the day unfolds. For additional information, check out www.lhsc.net or the Facebook page for any additional information. Better yet, join us at the club to see first hand what is happening. Along with the races, we have club meetings 12 months a year on the 2nd Thursday of every month at 8:00 P.M. All meetings are held at the clubhouse and we offer free pizza, brownies, and pop at the meeting.

Our snowmobile safety class will be held, Saturday, November 10, 2018, at the clubhouse from 8:30 AM-4:30 PM. We have 6 instructors ready, willing, and able to teach you and your child. Remember, if you sign up your child, plan on spending the day with them and take the course. We have a well respected "Hands On Class". We feed, educate, and entertain you all day for free. You will receive valuable information about how to prepare for riding season, suggestions for places to go, and have the opportunity to ask questions about every aspect of the sport from certified individuals. To register call Jim Wilkinson at 724-925-2073 or email at jwwilk@hotmail.com.

Our annual club banquet will be held Friday, November 16, 2019, at Bell's Banquet Hall. You should have received your invitation in the mail. Doc Lewis is in charge of setting up the event, and we always have a great time. There will be a buffet dinner, the award for the snowmobiler of the year, and some door prizes. Additional information can be found on our website.

Starting in October, we will have a new board member, Doug Hay. Shelly Buckles has served her term limits and will be off the board. Sheila and Allan Knupp are returning to their board positions. Best of luck to all of them. Thank you for helping out the club. The new officers will be elected and posted on the club's website. Many people have been asking about the membership renewal deadline. Your forms should have come in the mail. The renewal forms and checks are due by the November 8th meeting. You may mail the form to PO Box 91, Jones Mills, PA 15646.

Looking forward to seeing many of you at the PSSA PowerSports show in Lebanon, Pa. on Halloween weekend. Come and spend the day or days. Always lots to see.

Until next time - live life to its fullest -
Jim Wilkinson & Shelly Buckles

CHICKAREE RIDGE RUNNERS SMC

Hello from The Chickaree Ridge Runners Recreation and Rescue Snowmobile Club. I hope all the rain we've been getting doesn't cut down on the snow this winter. Oh well, we can't control the weather. Our club attended an Altoona Curve Game on August 12th, we had 28 people attend, too bad the Curve lost. We had a work night Sept. 6th before our meeting to test the lights for our track and everything seemed to be ok. Our race dates for the upcoming season are as follows, Sept. 30th, Oct. 21st and Nov. 4th. The gate opens at 8am, registration is from 9-11am and racing starts at noon. The kitchen opens at 11am and we have a variety of food at reasonable prices. Indoor restrooms and bleacher seating to watch the racers. We hope to see all of our usual racers and fans and always welcome anyone who hasn't been to our races. As usual we have a class for everyone and bracket racing for the

ATV's, and mini-sleds for the kids. Admission is an \$8 donation. Our benefit Poker Run is scheduled for Feb. 10th, 2019. Dr. Don Leckey is planning our trips for the upcoming winter. For more info. or to join our club, it is open to the public, a single membership is \$10 per year and a family membership is \$15 per year. Call Martin Marine at (814) 749-9931 or visit our new website at <https://crsnowclub.wixsite.com/website>. Like us on Facebook at Chickaree Ridge Runners Snowmobile Recreation and Rescue Club, I added the Class rules for our races to our page, we've had 300 likes so far. Meetings are held the first Thursday of each month. They start at 8:00pm and are held at our clubhouse.

Be safe and as always,
THINK SNOW,
Sincerely, *Chuck Baligush*

GOD'S COUNTRY BLACK FOREST SMC

Howdy, Howdy! From the top of the mountain, Pigeon Hill Road, Germania, PA. Hopefully everyone has had a great summer and enjoyed some down time in the mountains, or at your summer homes. Just think, only 3 months to go until we get our snow machines out on the trails. Maybe this wet pattern we have been experiencing will carry over into winter for us.

Our summer picnic went well! We had lots of good food, desserts and games for all. We had our yearly election the day of our picnic. More members get a chance to vote on this day. Following are the election results:

16th ANNUAL HYNER MOUNTAIN SAFETY COURSE

The Hyner Mountain Snowmobile Club's 16th annual youth Pennsylvania snowmobile safety course will be conducted on Sunday, November 18, 2018 at the Hyner Mountain Snowmobile Club lodge, which is located along Route 44 approximately 6 miles north of Haneyville, PA in Clinton County.

The club's annual safety course is conducted on the third Sunday of November to provide the opportunity for youth to participate in the PA Game Commission's family-oriented Saturday black bear hunt and attend the snowmobile safety course on the same weekend.

Pennsylvania's Snowmobile Law requires youngsters between the ages of 10 to 15 to earn a safety certificate before they may lawfully operate a snowmobile in the state, except upon lands owned or leased by their parent or legal guardian. The course is free for all participants.

The goal of the course, which was developed and is administered by the PA Department of Conservation and Natural Resources, is to develop safe attitudes and practices in all keystone state snowmobilers. Student manuals and workbooks will be utilized to illustrate the sport's basic principles and safety concepts. The course content will cover winter clothing, machine safety, and snowmobile laws and regulations. Class participants qualify for their certificate by completing their workbooks and achieving a score of 80% or better on the final examination.

Course instructors include Hyner Mountain Snowmobile Club members Rich Ebersole of Cornwall, PA and Harrison Langley, Jr. of Palmyra, PA and "Keystone Snowmobiler" co-editor Henry Hartman of Hanover, PA.

Parents are to accompany their children to registration so that the required forms may be completed. Registration begins at 7:30 AM; class starts promptly at 8:00 AM and will end by 4:00 PM. The Hyner Mountain Snowmobile Club will provide lunch.

Enrollment for the course is limited to a maximum of 30 students and pre-registration is required. Adults are encouraged to stay for the day to attend the course with their youth students or join the club's members in the living room area of the lodge for a day of conversation and fellowship around a mountain stone fireplace. With direct access to the Sproul State Forest trail system from our parking area, come discover why the club's motto is "a great place to park your sled and rest your head"...

The Hyner Mountain Snowmobile Club is located approximately five (5) miles north of Haneyville. From the intersection of Route 44 and Hyner Mountain Road, continue north (straight) on Route 44 and look for Pat Reeder's Tavern on the right. At the end of Pat Reeder's driveway, look for the gravel road on the left which is marked by a green road sign: "Reeder's Addition Lane". Make a left onto Reeder's Addition Lane and proceed to the end where the lane splits into three (3) separate driveways. Take the middle, gated driveway to the Hyner Mountain Snowmobile Club lodge which is a large, 2-story brown building. The club's parking area encircles the lodge.

To pre-register for the course at the Hyner Mountain Snowmobile Club, please contact Dan Casey at 570-875-3006 or dcasey@ptd.net

MARIENVILLE TRAIL RIDERS SMC

The Marienville Trail Riders Snowmobile Club had their September meeting and picnic at the Thornton residence on Sunday the ninth. Since it had been raining all weekend, the picnic turned into an indoor party with much food and drink. I can't help to mention how good the peanut butter cookies are that Vice President Joe Rogers brought that were made by his wife. Thanks Kitty and just to add an advertisement for the Kelly Hotel, Kitty cooks at the Kelly. After eating and watching the first half of the Browns/Steeler game, the meeting was called to order. Earl Cross and his wife Phyllis travelled the farthest to attend the meeting coming all the way from Ford City. The big topic that was discussed was planning a trip to Michigan. Joe Rogers has planned a trip the third week of January to Curtis, staying at Pine Bluff Resort. The second trip is scheduled for February 17-24. Dave Timothy will contact Pine Bluff Resort and check on rooms. Anyone interested in joining should contact us on our website at marienvilletrailriders.com or call Roxanne at 814-927-8218.

The club is continuing their work on the trails and are putting the finishing touch to Trail 1 just off of the Greeley Farm Road. There was a wet spot for approximately a half of a mile that ran parallel with the Tennessee Gas pipeline. The club hauled in 23 tons of

stone and 45 tons of 2RC. Thanks to Kinder/Morgan, the company who took control of the gas line right-of-way, the US Forest Service and the other two clubs that help maintain the 115 mile main loop of Trail 1. They are Pa. Snow-seekers, from Highland and the Forest County Snowmobile Club along with the Marienville Trail Riders. These three clubs had leftover money, due to lack of snow from this past season's grooming funds. All three clubs will be meeting with the Forest Service on November 3 starting at 9 am. The purpose will be to discuss the upcoming Snowmobile season. The Marienville Trail Riders used \$779.00 to purchase the 2RC gravel and used Club money to buy the \$300 worth of stone. About 1 mile of trail was smoothed out and ditched to allow for water runoff. All work was performed by club members, using their own equipment. In doing this they got more work done with the money they had to spend. None of the work had to be contracted out. Club members Dan Stevenson, Joe LaClaire and Jerry Thornton will return to that section of trail after the Fire Company's ATV Tour de Forest to smooth out any damage that the ATV's might cause.

In the past week, the Trail Riders also received a grant from PSSA to purchase more gravel for Trail 11 and to brush more trails. The signage that the club requested in the grant did

not get approved and the club decided to pay for this work out of their account. These two signs can be found entering Marienville from the East and West side on Trail 1. They inform riders of traveling responsibly with a 25 mile speed limit in town. The current signs are 50 years old. (see photos at right)

Hank Bauer reported that his work on the small groomer, the Track Truck, will continue this week while Jerry Beichner will work on improving the lighting in the groomer barn. It was also reported that Trail Rider director and web master Brian Popoleo took the Forest Service two-day Chain Saw Class last May.

Our next meeting will be October 14 at the Kelly Hotel dining room at 2 pm. The club will have their booth at the Marienville Octoberfest from September 28-30 in front of the bank. They are also planning a ham dinner in March. Thanks to Roxanne Thornton for a great party and a special thanks to Dan and Micky Stevenson.

PSSA is sponsoring their PowerSports Show at Lebanon, Pa on October 26-28. Hope to see lots of people there. All snowmobilers can do their part by joining a club and also joining PSSA.

HYNER MOUNTAIN SMC

Hello from Hyner Mountain Snowmobile Club. Just want to let everyone know what has been happening up on the mountain. As you are reading this, the fall season has either started or is right around the corner. That being said, winter will not be far behind. Then, we will have to patiently wait for the day after the Pennsylvania Whitetail Deer Season ends; or as we call it, the first day of the new snowmobile season! To all the hunters reading this article in the Keystone Snowmobiler, good luck hunting!

With the new season rapidly approaching, we hope everybody is starting to get excited about getting their sleds, trailers, truck decks and, last but not least, their personal gear ready for what we hope is a great winter!

We at the lodge are starting to get in the snowmobile/snowmobiling mode. Our monthly meetings have resumed with our fall work-weekend being held in October, which is when we get the lodge ready for snowmobiling.

Continuing on about getting ready for riding this winter, don't forget about getting your young snowmobiler's ready as well. Hyner Mountain Snowmobile Lodge, will again, hold a Snowmobile Safety Course at the lodge. The course is free of charge to anyone ages 10 thru

15. This year's course will be held on Sunday, November 18, 2018, from 7:30 a.m. - 4:00 p.m. Lunch will be provided by the members of the lodge. Parents are invited to stay and sit in on the class (if room is available), or hang out with us for the day either watching football or talking about snowmobiles and/or snowmobiling. You can register your youth snowmobiler by calling Dan Casey at (570) 875-3006, or emailing: dcasey@ptd.net. Anyone staying for the day can ask any of our members to show them around the lodge. We do have some memberships available. Membership information can be found on our website: www.hynermountainsnowmobileclub.com

Hey, as this was being written, there was only eighty-nine (89) days left until the first day of snowmobiling.

Well that's about all for now. Talk to ya next month.

THINK SNOW!!!
