SNOWMOBILE CLUB OF ADAMS COUNTY

The Snowmobile Club of Adams County (SCAC) recently held their annual Italian Sausage stand at the National Apple Harvest Festival in Arentzville, PA. The club had a lot of fun selling Italian sausage sandwiches, bacon cheeseburgers, breakfast platters, ice cold drinks and steaming coffee. There were 37 people who helped set up or work at the stand this year and we are seeing a growing organization. A big Thank You to all who helped as we will use the proceeds to set up our annual budget. Money earned will go to various scholarships, local and national organizations, and a club meeting in Maine, February 2019.

Although the stand is a lot of hard work, it is rewarding to work together in a fun and team atmosphere, helping to serve others in a larger manner.

A big thank you to all who helped during this team effort.

In the picture above, these twins decide to take an imaginary snowmobile ride. The one on the back is learning the benefits of being on the back as she eats her Italian sausage.

Think snow, *Tom Krout*

MOVING FORWARD

Happy Thanksgiving!

It is that time of year to give **Thanks** and remember all the good things in our lives.

Happy Veterans' Day!

Take time to **Thank** a Veteran and their family for their service and dedication to help preserve our freedom.

Remember in your heart and prayers the survivors of the Hurricanes in the South and East Coast the last few months. Donate to reliable sources.

As you are aware the PowerSport Show is our big fundraiser for the year. **Thank you** to the Committee: Travis Mathna, Arlene LaTourette and Kathy Woolever for

their countless hours of hard work to make this project a success. Kathy Woolever and Maura Donley saved the Association much money by doing the set-up and promotions for us. **Thank you.**

Also **Thank you** to the clubs, all the volunteers, those who donated auction items, bought tickets or made donations. **You are appreciated.**

Finally **Thank you** to our loyal promoters and vendors. Without them we could not have a successful show.

Our volunteers enjoyed the Hospitality Room provided by Wanner Associates and the delicious cookies made by Virginia Wolfe. **Thank you.**

Safety classes are being offered by most clubs. It is important for young riders to have an introduction to safe riding techniques. Check the website: www.pasnow.org and this paper for information.

Liz Krug, President

Remember the Date: Annual Meeting - Saturday, April 27, 9am Ramada Golf and Conference Center, University Park, PA (Same as last year)

HYNER MOUNTAIN SMC

Hello from Hyner Mountain Snowmobile Club. Just want to let everyone know what has been happening up on the mountain. Well, not much going on as of yet. Hopefully that will change in about 59 (fifty-nine) days! That's the amount of days left, the day this was written, until the first day of the new snowmobile season!

There is still time to get any young riders signed up for the Snowmobile Safety Class, which is provided by our Lodge. Class will be held this year on Sunday, November 18, 2018, from 7:30 a.m. - 4:00 p.m.; lunch will be provided by the members of the lodge. The class, as well as the lunch, is free of charge.

Let's hope for a little bit of snow on the ground for the upcoming safety class.

Well that's about all for now. Talk to ya next month. **THINK SNOW!!!**

Hello from The Chickaree Ridge Runners Recreation and Rescue Snowmobile Club. We held our first race of the season on Sept. 30th. It was a perfect day for racing, temperatures in the 70's and sunny. We had an excellent turnout. Thank you to all of the racers and spectators who came to our first race. Hopefully all of you had a good time and will come to the next two as well! Our other 2 race dates will be, Oct. 21st and Nov. 4th. The gate opens at 8am, registration is from 9-11am and racing starts at noon. The kitchen opens at 11am and we have a variety of food at reasonable prices, indoor restrooms and bleacher seating to watch the racers. We hope to see all of our usual racers and fans and always welcome anyone who hasn't been to our races. As usual we have a class for everyone and bracket racing for the ATV's, and mini-sleds for the kids. Admission is an \$8 donation.

We also have an Altoona Curve Game scheduled for August 12th with a picnic style buffet. Our benefit Poker Run is scheduled for Feb. 10th, 2019. Dr. Don Leckey is planning our trips for the upcoming winter. For more info. or to join our club, it is open to the public, a single membership is \$10 per year and a family membership is \$15 per year. Greetings from the beautiful Glendale Lake Area and the Glendale Lake SMC. It's just turned cold and the leaves are starting to change, winter can't be far away.

Our Club meets year round but activity does begin picking up in the fall. Our Annual Fall Picnic was held Saturday September 15th and for once it wasn't raining so we had a great day and a great turn out. The BBQ Chicken was provided by the club and everyone brought something special for everyone to enjoy. Back again this year was our antique snowmobile giveaway to someone attending the picnic. Thanks to club member Mike Hanlon, at the last two picnics we've had a vintage Arctic Cat Snowmobile awarded to a club member attending the picnic. This year's winners were Tom and Sherri Hatch. They're looking forward to sharing their new old sled with their children and grandchildren. (see photo at right) The picnic is as much a membership drive and club get together as it is a fund-raiser. If you join the club or renew your membership for next year in the club before the date of the picnic, the picnic is free to attend. Club swag was also sold, with a new shirt design coming out every year. This year's shirt featured a patriotic theme. Something new this year - we had two corporate sponsors of the event, they were Alpha Power Sports the new Arctic Cat Dealer in the area, and Five Star Powersports the new Polaris dealer in the area. In addition to

financially supporting the club and picnic, they brought some really exciting toys to the picnic. They also brought a generous supply of free giveaways. It was great to have their support.

Another annual fall event for us is the Prince Gallitzin State Park Apple Cider-fest. Thanks to our very cooperative relationship with the Park, they provide us with a booth in this always sold out event. Thousands of people from all over the region are attracted to this event of crafts, food and fun that features hay rides, pony rides, bands and free cider among all the other excitement. Our booth really stands out from the crowd and attracts a lot of attention among snowmobilers and non-snowmobilers alike. Sometimes the talk turns to reminiscing about snowmobile riding long ago, or talk about how exciting it is to ride the newer more reliable sleds, or to weather predictions for this winter.

With regard to Club business, October and November are nomination months for Club Officers and Club Board members. We are very fortunate to have a very active membership with individuals willing to step up to serve in vital roles within the club. Elections are held in December with terms beginning January 1. If you'd like to get someone nominated for a position, please do that at our November meeting.

GLENDALE LAKE SMC

Trail cleanup is expected to begin soon, if you haven't done so already, please get signed up as a DCNR Volunteer for Prince Gallitzin State Park. This can be done on the DCNR Website. Directions can be found on our FaceBook page. We're also working with the Game Commission on some of those trails. For Trail Clean Up days and other events please follow us on Facebook, attend the club meetings or give us your email address.

The club is also in the process of developing several more new trails, for details please join us at club meetings.

Our Club is located in south central PA, about 1.5 hours east of the Laurel Highlands and about 45 minutes west of Black Moshanon State Park. We're not far from Ebensburg and

Altoona. If you're from this area or ride in this area, we urge you to join our club. We meet the first Monday of the month, year round at 7:30 PM at the Patton Sportsman's Club. Club hats and shirts are available anytime at the Patton Sportsman Club. We have a great time at our Club Meetings. We take care of business, enjoy some great food if you're hungry, and swap some real good sled stories. Come join us.

If you're not from our area, we still urge you to join a club in your area, or where you ride. And join the PSSA so that by all of us sledders working together we can improve snowmobiling for all. Enjoy winter and share it with a friend.

A NOTE TO DCNR VOLUNTEER SNOWMOBILE SAFETY INSTRUCTORS

Recently I spoke to DCNR's Todd Miller regarding the ordering of snowmobile safety course supplies and the training of adult students per DCNR's letter of December 13, 2017. Mr. Miller asked me to pass along the following information.

Snowmobile safety class supplies can be obtained by mailing the completed "Snowmobile Safety Class Supply Order Form" to the address listed on the bottom of the form, faxing it to 717-783-5109, or scanning and e-mailing the form to Deb Fisler at dfisler@pa.gov. If you have questions regarding snowmobile class supplies, please contact Ms. Fisler at 717-787-3444.

Regarding the training of adult students, Mr. Miller informed me that DCNR has recreated the formerly-available "Adult Certificate of Completion" to issue to adult students that stay for, and actively participate in, youth snowmobile safety courses. As per previous practice, it will not be necessary to include adult students' names on the "Student Roster", adults students do not have to take the exam unless they want to, and adult students are not to receive the "Snowmobile Safety Training Certificates" that are issued to the youth students upon successful course completion.

The "Adult Certificates of Completion" are currently available in electronic form from Ms. Fisler. If, like me, you don't have a high-capacity color printer, Mr. Miller suggested that instructors contact Ms. Fisler to print the certificates for them and include them in safety supply orders shipments.

I asked Mr. Miller to consider including the "Adult

Certificates of Completion" on the "Snowmobile Safety Class Supply Order Form" and he said that DCNR would consider that idea.

Finally, Mr. Miller emphasized to me that instructors should not mail the electronic version of the certificates to adult students that complete the course in order to prevent unauthorized distribution of those documents to adults that do not actually participate in a youth safety course.

Thank You for your continued dedication to the youth snowmobilers in PA!

Hello from the Laurel Highlands.

After 3 years of little or no snow I asked "Google" the big question. "Farmer's Almanac, will we see very much snow this season?????" Guess what??? The question was so difficult to answer that the computer froze. The question was not answered and is still a mystery. Most of us have tried the following---

1. the snow dance
2. crossing our fingers
3. asking the weatherman
4. researching the Farmer's Almanac
5. etc.

We had a terrific time at the first Grass Drag race in September. The weather was perfect despite the cloudy skies and threat of rain. Our sponsors, Morocco Welding, Gellners Sales and Service Inc., Highland Harley Davidson, Art Engleka, Ritco Inc., F & S Yamaha, and Boring's, helped pull everything together, and provided for the cash prize pay outs. There were both new and used sleds for sale on display, local clubs to talk to, and plenty of food options in the concession stand. We can't thank our sponsors and volunteers enough for everything they do to make these races possible. An incredible amount of work goes on behind the scenes to make the events great. That hard work paid off with smiles, laughter, intense competition, and the overall joy of just spending more time with snowmobiles and snowmobile enthusiasts.

LAUREL HIGHLANDS SMC

Our second race was held on Sunday, October 14 at the clubhouse. More information on this will be given in the next issue.

The Snowmobile Safety Class will be held on Saturday, November 10, 2018, at the clubhouse from 8:30 A.M.---4:30 P.M. This is a hands on class with certified instructors who are clearance checked and excited to teach adults and kids alike. I mention adults because DCNR has finally realized how important it is to teach them. You can sign up for this class by calling Jim Wilkinson at 724-925-2073 or email at jwwilk@hotmail.com. There is no charge for the class and we will provide lunch. You will receive information about all aspects of snowmobiling. Feel free to ask questions and collect some trail maps.

The trail workday is scheduled for November 10th at 9:00 AM. The work crew will meet at the clubhouse to gather supplies and discuss which trails are up for improvement.

Our annual banquet will be held at Bell's Banquet Hall on Friday, November 16, 2018. William "Doc" Lewis and his wife have put together this event again with a similar menu and style to last year. We've had a strong club turn out the past few years. There will be more than enough of Bell's delicious food, talk about snowmobiling, and fun for everyone.

New at the club, we welcome Doug Hay to the board of directors, and Sheila Knupp to the position of secretary. The remaining officers and board have stayed the same. The club is in good hands, but feel free to join us at a meeting to see what the current improvements and plans are. We welcome your input and assistance. Membership renewals are due by the end of the November 8th meeting.

This has been a busy fall. We can only hope winter will be even more busy. Until next time stay safe,

Jim Wilkinson and Shelly Buckles
