MOVING FORWARD

November 2019

Happy Veteran's Day and Happy Thanksgiving!

We wish to thank all our veterans and their families for their service to our country. Our freedoms are not free. The celebration of Thanksgiving reminds one to thank those who are important in our lives for all they do to make our lives better. Whether they are living or have passed on we depend on them for guidance and hope for the future. Thank you.

The PA Powersports Show was held the weekend of October 25-27. Attendance was comparable to last year. Many snowmobile articles were bought. Attendees visited the Vintage Sled area, Used Clothing Booth and PSSA Clothing Area.

The PowerSport Corral had many more sleds for sale than last year. Tickets for the ATV and two trailers were also sold. Winners are listed elsewhere in this newsletter.

PSSA has always sponsored a Youth Safety Class at this Show. Attendance was very low this year. The Committee will evaluate the need and make decisions regarding the continuation of this class in the future.

I want to thank especially Kathy Woolever and Maura Donley for their many months of communicating with possible vendors, advertising and setting up the Show. They also sponsored the Hospitality Room.

PSSA could not hold this Show without the cooperation of our Sponsors, Vendors, Volunteers, our clubs and those who donated auction items. Volunteers came from Maryland, Ohio and Pennsylvania. Clean up of the Show by members of the Hyner Mountain Club was greatly appreciated.

MOVING FORWARD (cont.)

This past Thursday several of our members attended the Snowmobile ATV (SAAC) meeting in Harrisburg. A report will be given at a later date. Members are asked to support a club where you ride. Several of our clubs help maintain parts of trails on State land. Many clubs maintain trails on private land open for public riding. All clubs need your support. Consider becoming a member and helping the club with activities. Ride Safe and Stay on the Trails!

Think Snow!

HYNER MOUNTAIN SMC

Hello from Hyner Mountain Snowmobile Club. Want to let everyone know what has been happening up on the mountain. It is great to see the Fall season return. That means Winter is not far away and coming quickly. Our monthly meetings have started back up so that also is a sign that winter is not far away.

Also not far away and coming soon is our annual Youth Snowmobile Safety Class. Class this year is held on Sunday November 17th. Registration starts at 7:30 am. Class runs from 8:00 am until 4:00 pm. Any young snowmobilers ages 10-15 planning on riding accompanied by their parents or guardian must have a Snowmobile Safety Certificate to ride on state owned trails.

Parents are welcome to stay at the lodge during the class. Feel free to just hang out with us for the day talking about sledding or watching some college football.

A lunch of barbecue, chips, a drink , and plenty of homemade cookies will be provided by the "Lodge".

To sign up call Dan Casey at 570-875-3006, or email dcasey@ptd.net. class is limited to 20 students. Pre-registration is required.

Hey, less than 90 days until the new snowmobile season starts as I am writing this.

Well that's about all for now. Talk to ya next month.

GRAND CANYON SMC

Every year with the fall season comes trail-clearing time for many snowmobile clubs including ours. On Sept. 21st. our club held its annual work detail while combining it with our annual club picnic. In today's busy times clubs struggle to get the help needed to complete the tasks at hand to keep the trails open for snowmobilers. We had a very good turnout with eighteen men and women helping complete what needed to be done.

We have four miles of rail bed on the south side of Route 6 (that runs behind the clubhouse) from the Burnin Barrel Bar to the Log Cabin Inn and two miles of trail on the north side of Route 6 that starts right across the road from the clubhouse and comes out just east of the Burnin Barrel Bar. With another good growing season the weeds/briars made for a full day of clearing, not to mention the numerous downed trees that were across the trails.

GRAND CANYON SMC (CONT.)

While the trail crews were busy getting the trails in shape for this coming season the ladies were very busy in the clubhouse. They were doing double duty there, working on completing the mass mailing of our club membership applications that were mailed out a few days later PLUS preparing a WONDERFUL picnic for everyone that included burgers and hotdogs on the grill and much, much more.

We do have one significant change that will take place this year at our club. THERE WILL BE 89 OCTANE GAS IN OUR TANK THIS YEAR INSTEAD OF 87 OCTANE. With the newer sleds we thought increasing the gas to 89 octane was warranted. I'm sure most snowmobilers are aware of our club having a gas tank on site, but if you're not below is a very short history of how it came about. When the Ansonia Gulf station stopped pumping gas and with us being only one mile west of the Burnin Barrel (up the rail bed) we felt we needed to do something to aid our snowmobiling friends. We installed a 500- gallon gas tank in the fall of 2013 but it was not without a contingent. When the Labor & Industry inspector arrived he said the only way this will pass and you'll be able to distribute gas is if you're a private club. I told him we do have club memberships and he said your fine then. You just can't distribute to the general public. We would love to pump gas to everyone but that would shut our operation down and isn't allowed.

In closing I'd like to thank the following team members who helped on our work detail/mass mailing/picnic day: Aine Byrne, June Baney, Belinda Frost, Karen Myers, Nicole Shoop, Walt Murphy, Scott Caps, Nolan Schmell, Bryce Schmell, Corey Hockel, Shaun Hockel, Preston Angelone, Dave Frost, Roy Puller, Duane Sterner, Tom Byrne, Rob Myers, and yours truly, Jim Baney

McKEAN SNOWRIDERS SMC

Greetings from the SnowRiders up in McKean PA. We are just off Lake Erie, and hope to get dumped on again this year!

We had over a dozen people show up for our semi-annual Road Cleanup project. After postponing it once due to bad weather, we had perfect weather the second try. With as many volunteers as we had, the job went very quickly and we were done in about one hour. Afterwards, we rewarded participants with pizza! Everyone had a good time and enjoyed giving back a bit to the community that supports our snowmobile club.

MCKEAN RIDERS SMC (CONT.)

Our club, as are all clubs in Pennsylvania, is thankful for all the work PSSA does in obtaining and distributing money from Grants. 100% of our trails are on private lands, and with landowner permission we continue to make improvements to our trails. Using PSSA grant money, we have been successful in purchasing fill material for wet areas, culverts / drain pipe for ditches, and contracting local excavating businesses to perform heavy equipment work required. We also use the PSSA grant money for groomer operation and maintenance. Thanks PSSA for all you do to continue to enable the sport in our state!

By the time this is published, our riding season will be close to beginning for most of us. Our club has held an Annual Poker Run for over the past 25 years! We always plan on holding a Poker Run the First Sunday of January (or the first Sunday with sufficient snow!). You should all plan on joining us for this fun event. It is one of the first Poker Runs of the season and you can get your sled out and ride with friends. Check out our web site (or Facebook) for details:
www.mckeansnowriders.com

You can now join the McKean Snow Riders on FACEBOOK!

Here you can get trail update and post or read comments about our trails and club. Currently we have over 2,000 people that have joined our Facebook page!

Any questions, check out our website or contact me.

LAUREL HIGHLANDS SMC

Hello from the Laurel Highlands. The grass drag races were a success. A big thank you to the sponsors: Highland Harley Davidson, Boring's, James Barron Trucking, Art Engleka, Kneppco Equipment, Highland Tank, F & S Yamaha, Ritco Inc., Gellners Sales and Service, Mosites Motorsports and Morocco Welding. Thank you also to the race committee and all the volunteers for this event. Racers and spectators from all over joined us for the day reaching speeds up to 102 MPH. The weather started off rainy, but cleared to a beautiful day with ideal track conditions for most depending on their set ups. We had a guessing game, free information, clothing sales, and food on site. Our announcer, Steve, gave us the scoop on the winners. Everyone seemed to have a great time.

The membership renewal mailings were sent out the second week of October. They are due by the second Thursday of November. If you have not received yours, please download a copy of the renewal form from the lhsc.net website and send it to the clubhouse at PO Box 91, Jones Mills, PA 15646. Thank you.

LAUREL HIGHLANDS SMC (CONT.)

The next big event will be the LHSC snowmobile safety class and workday on Saturday, November 16, 2019 from 8:30 am---4:30 pm at the clubhouse. This is a "Hands On" Safety Class. Our instructors are dedicated people, with clearances, to educate our youth. There is no charge for the class and we will feed you for free. Contact Jim Wilkinson at 724-925-2073 or cell phone number 724-875-0212. You can email Jim at jwwilk@hotmail.com to register for the free event. Please plan to spend the day with your child. There will be opportunities to ask questions and share insights. Something new is learned each year by all in attendance. We look forward to seeing you. We will be spending half of the day outside, so dress according to the weather. The workday will begin at 9:00 am and is a day for helping prepare the trails. We will go out on DCNR property to help complete the tasks. Usually, some time is spent removing rocks or brushing back the trails. Sometimes culverts are repaired. Come join in either adventure. Please dress for outdoor work.

Our annual banquet will be held November 22, at 6:00 PM, at Oakhurst Restaurant, outside the town of Somerset, PA on Route 31. This will be a buffet banquet. Come and socialize with LHSC members and have a good time. We will be awarding the annual club Member of the Year plaque to this year's most deserving candidate.

Hope to have seen many of you at the PSSA Powersports show in Lebanon, PA. and also the Snowmobile USA show in Novi, Michigan.

Until next time-- Live life to its fullest.

PSSA SAFETY CLASS

PSSA sponsored a Youth Snowmobile Safety Training Class on Saturday, Oct. 26 at the PA Powersports Show. Five students, aging from 10 to 15, successfully completed the class and received their DCNR Snowmobile Safety Certificate. Instructors for the class were Rich Ebersole, Dale Hartman, and Henry Hartman. The Blue Mountain Snowmobile Club generously provided lunch and snacks for the participants. Pat & Son Service Center provided a new Polaris snowmobile for use during the class.

POWERSPORTS SHOW USED SLED CORRAL

2019 USED SLED CORRAL - "IT'S IN THE BOOKS"

The latest edition of the PA Powersports Show is now history, and the Used Sled Corral once again was a favorite attraction of the event.

This year, compared to 2018, we exceeded the total number of sleds by 20, equaled the trailer number, and added to the ATV and motorcycle count. Overall sales across all categories was about 27%. The total revenue generated for PSSA by the 2019 Used Sled Corral was over \$2,600.00, which included 19 new memberships in the organization.

Each year, the wonderful volunteers that we have helping for the three days of the show make the Used Sled Corral possible. Those fine folks this year included:

Alvin Esh, Don Hess, Dave Shenk, Mark Berry, Karl Gearhart, Mark Michalsky, Tim McKenney, Dale Hartman, Randy Rider Jr.

A very special "Thank You" goes to Alvin Esh, a member of the Dutch Trail Cutters Snowmobile Club. Alvin transported his forklift to the show for use in handling the sleds, unloading and loading them from/into trucks and trailers. Alvin's generosity saves a great expense for the Used Sled Corral. Thank you, Alvin!

Many units that are seen in the Used Sled Corral get sold following the event, because someone saw it there. If you have an interest in any of the items that might not have sold by Sunday afternoon, call us at 717-633-5051 and we'll check our paperwork and pass along phone numbers so you can contact the seller.

Thanks again to our fantastic volunteers, we look forward to the next installment of the Used Sled Corral in 2020.

Peggy & Henry Hartman

FOREST COUNTY SMC

We had not done anything over the summer, but on September 13th and 14th some of us were able to take a chain saw safety training course. This course taught us how to safely cut and remove trees that have fallen onto the trails. Jerry Thornton from Marienville Trail Riders, Rich Hayes and Roy Stillman from PA Snowseekers, and Larry Martin from Forest County Snowmobile Club attended. These participants cover the clubs that maintain snowmobile trails in the Allegheny National Forest.

We worked with guys from a mountain bike club and horseback riding clubs. We all worked well together, and all for the same reason: to keep trails open and safe for everyone no matter what sport you enjoy. We all volunteer our time to take training and work on the trails. I believe everyone that uses the trails needs to work together and pool our resources to keep them open. None of us have an overabundance of help, time or money.

I want to thank Curt Bowley for getting our info to the right people so we could have this training. Huge thanks to Sheldon Winters (Forest Saw Coordinator) Supervisors office, Lucas Kelley (District Saw Coordinator), and Kyle Robb (Rec Tech) both on the Bradford Ranger District. These guys gave up a Friday evening and all day Saturday to train us, and they were excellent.

FOREST COUNTY SMC (cont.)

In a few weeks all the clubs will be out on the trails to clear trees, brush, and put up signs for the upcoming season. We all volunteer and need help so anything you can do will be appreciated. Please join a club in the area you ride and offer to help. We all volunteer to make your ride safe and enjoyable. Also, join the Pennsylvania State Snowmobile Association (PSSA). The PSSA does a lot of work to watch legislation and obtain grants the help fund trail maintenance. It is also run by volunteers.

Let's hope for snow.
