SO THANKFUL!

MOVING FORWARD

NOVEMBER 2021

Thank a Veteran and their families for all the sacrifices they have made/make to protect our country. One small idea is to pay for their breakfast etc when you see them eating out. A small gesture like this goes a long way.

Happy Thanksgiving! Take time to remember all the people who have helped make your lives better.

The Raffle drawing is fast approaching. If you didn't send in your tickets NOW is the time to do so. You need a ticket to win one of the several prizes offered. Response has been very good. This Raffle replaces the Power Sport Show and provides an opportunity for everyone to participate. Not everyone can drive 3-5 hours to attend a show and spend a day to volunteer. If you haven't already, place your tickets in the envelope with a stamp and send them in to the Palmyra Office. Donations are always accepted if you are not a ticket person.

PSSA appreciates all who participate/donate.

The last several months have been very busy with committee meetings and Conservation and Natural Resource Advisory Council(CNRAC) webinars. Several members of the Trail Committee met in person with DCNR representatives in Harrisburg. Rob Housley, Director, presented a power point detailing what possibilities are available for mapping trails. Some states use "canned" programs and others develop their own app. DCNR is working on a program which will involve trails on state lands. The Trail Committee will continue to explore ways to develop a map for trails on private land. Hopefully, these two maps can complement one another.

DCNR is implementing an "Office of Outdoor Recreation". PSSA will continue to monitor this development. Will this Office work with trails on private land? We are all taxpayers. Why not?

MOVING FORWARD

CNRAC continues to emphasize the need for more dollars to maintain parks and trails. There has been a significant increase in the number of people who use these facilities and trails. You can help by contacting your local representatives and advocate for more money and trails in your area.

The American Rescue Plan has provided money for local municipalities to invest in their areas. Tourism has become the hot topic. Projects which can attract tourists to the area and help the local economy with job opportunities can apply for funds. Keep in touch with your local Economic and Planning Committees.

The PSSA Board approved the mini-grant applications as presented by five clubs. Funds not spent in the first round of 25.1 were made available to clubs (\$10,000). Deadline to complete these projects is December 1, 2021.

Don't forget to check your equipment while the weather is somewhat decent.

Be Safe!

Think Snow!

Liz Krug, President PSSA

After a virus-forced delay of more than a year, Ralph Wallace was presented with a plaque from PSSA honoring his late wife, Mary Ellen Wallace, on Thursday, October 21, 2021. Peggy & Henry Hartman surprised Ralph during a luncheon with members of the former Pigeon Hills Snowmobile Club at Hanover, PA.

Grand Canyon SMC

Every year with the fall season comes trail-clearing time for many snowmobile clubs, including ours. On September 18, our club held its annual work detail, while combining it with our annual club picnic. In today's busy times, clubs struggle to get the help needed to complete the tasks at hand to keep our trails open for snowmobilers. We had a very good turnout with twenty-one men and women participating, which included two very helpful youngsters, with everyone helping to complete whatever needed to be done.

We have four miles of rail bed on the south side of Rt. 6 (that runs behind the clubhouse) from the Burnin' Barrel Bar to the Log Cabin Inn Restaurant and two miles of trail on the north side of Rt. 6 that starts right across the road from the clubhouse and comes out just east of the Burnin' Barrel Bar. The north route trail can also be accessed at its midpoint by crossing Rt. 6 at the Pine Creek Outfitters and using the Great Valley Cabins trail connector.

With the wetter than normal summer this year, the foliage seemed to love it, with the weeds and briars making for a full day of clearing, not to mention the numerous downed trees that were across the trails.

While the trail crews were busy getting the trails in shape for this coming season, the ladies were busy in the clubhouse preparing a wonderful picnic for everyone that included burgers and hotdogs on the grill and much, much more.

Grand Canyon SMC (cont)

As a reminder, we'll again be pumping 89 octane gas from our tank this winter to club members at our clubhouse on weekends. The hours are Saturday 10 a.m. to 5 p.m. and Sunday 10 a.m. to 3 p.m., depending on snow conditions.

In closing, I'd like to thank the following volunteers who helped make our annual work detail/club picnic day possible:

On the group photo from left to right are Bob Prettyman, Diane Tshudy, Dave Frost, John Tshudy, Tom Byrne, , Kristen & Chet Tanner, Nicole & Brian Shoop, Bobby Prettyman, Darrell Weaver, Adam & Kyle Strickler and Jeremy Stickler. Missing from the photo are Cheryl Gross, Walt Domarew, Belinda Frost, Aine Byrne, Vic Ferree Jr., June Baney along with myself picture taker Jim Baney

Think snow, everyone!

Lehigh Valley SMA

The Lehigh Valley Snowmobile Association (LVSA) is celebrating its 50th Anniversary. Located in the Lehigh and Northampton County area of Pennsylvania, known as the Lehigh Valley, the club has a long history of promoting snowmobiling in the Lehigh Valley area and beyond.

On January 12, 1971 an article in the local newspaper, The Morning Call, invited snowmobilers in the Lehigh Valley area to form a snowmobile club. Twenty-Five snowmobilers came to this first meeting. They were young and many had families. Over the next few months organizational meetings were held. Officers and Board of Directors were elected and the Clubs By-Laws were written.

As time went on snowmobilers rode wherever and whenever there was snow, but they needed a place to ride. Determined Club officers found such a place, it was Mohr's Orchards in Schnecksville, PA. The club was allowed to use this land for \$1.00 a year and its agreement to patrol and maintain the land. The land lease also came with an old building, which the club fixed-up and used as a "Club house".

The "Club House" was the center of many fun filled events. In the summers there were family picnics and in the fall there were hayrides, Halloween parties and hoagie making events. But the best time was winter after a big snowfall. Games on snowmobiles were organized where families could enjoy the outing roasting hot dogs, eating snacks and drinking hot chocolate back at the "Club House".

The Lehigh Valley Snowmobile Club became a member of the Civil Defense. During a state of emergency members were stationed at fire companies and hospitals. Snowmobilers rode behind these emergency vehicles on streets and major highways. They also helped rescue stranded motorists trying to get home to their worried families.

In the 1980's when the leased land was sold and became a housing development the Club's land lease and Club House were lost.

Lehigh Valley SMA

The Club has grown in recent years, with members coming from the Lehigh Valley area as well as areas such as Philadelphia & NJ all sharing a passion for snowmobiling. Club members continue to plan snowmobile trips to areas throughout the northeast, MI and Canada, some for just a weekend and many for as long as a week or more. The Club also supports several local children's charities with annual donations.

The Club is currently holding its monthly membership meetings on the second Tuesday of the month at the Starlite Diner, 233 N Route 100, Allentown, PA.

We invite snowmobilers within and around the Lehigh Valley area to join us to share our passion for snowmobiling. Club meetings are held on the second Tuesday of each month from October through April at 7:30 PM

For meeting location and information about the club visit our Facebook page (Lehigh Valley Snowmobile Club) or contact Steve Schwartz, President at schwartzplastering@gmail.com or Nathan Eckhart, Treasurer at nsecpa@rcn.com

DUTCH TRAILCUTTERS SMC

CELEBRATING 50 YEARS!

Fifty years ago, in Lancaster County, PA, a group of snowmobilers organized themselves into a club. It was 1971, an 'official' first meeting was held on January 19th. Bylaws were presented and accepted, and a motion was made and approved to open a bank account. Liability insurance was also discussed and approved. The following month, February of 1971, it was decided to hold regular monthly meetings on the second Tuesday, a practice which continues today!

Around that same time, probably March, the minutes record that 16 machines participated in a weekend ride at Slate Run. This was an active club right from the start! Later that same year, there was an interest in purchasing land for a future clubhouse. There was a price limit set as well as criteria that the property would be within a 100 mile radius of Lancaster County. In October, the new club held their first grass drag race at a member's farm in Reinhold.

Before 1971 was over, the members voted to sponsor a snowmobile show the following year, along with continuing to hold grass drag races. The club also volunteered with the PA State Police and the Civil Defense authorities. During a January 11, 1972 club meeting, the members approved a motion to join the PA State Snowmobile Association.

Today, 50 years later, the Dutch Trail Cutters are still a 100% PSSA club! Every member of the club is also a member of the State organization, supporting snowmobiling across the entire Commonwealth. In future articles, we will reveal how the hunt for property progressed and the clubhouse was built. The Dutch Trail Cutters Snowmobile Club has memberships available. If you are an active snowmobiler and would like more information, write to: DTC, c/o Ervin Nolt 10 North Hershey Ave. Leola PA 17540 or call 717-633-5051.

DONATIONS APPRECIATED

The PA Powersports Show is the #1 way our organization raises money to advocate for and support snowmobiling in Pennsylvania. We are in the process of raising \$20,000 to make up for this loss of income and are asking that you consider a donation to PSSA in addition to your membership dues. Please also consider a monetary donation in lieu of your usual PA Powersports Auction item if you've supported us this way in the past. We would be very grateful.

Your donation will be used to help PSSA establish and maintain important connections with local clubs to exchange ideas and share important technical information and education on all snowmobile areas of interest. PSSA also works with both federal and state government agencies to preserve and enhance trails and riding opportunities. Our focus includes preserving our natural resources and the environment as well as advocating for the safety and general welfare of snowmobiling. You can make a difference for the good of snowmobiling in Pennsylvania when you send in your donation with your membership dues and raffle ticket funds! Together, let's ensure that all snowmobilers can have safe, fun, and available trails to ride in Pennsylvania!
