MOVING FORWARD

October 2022

Happy Halloween!

Renew or Join PSSA Now!

The mention of Halloween should remind everyone that Halloween weekend was always the PowerSport Show. As mentioned earlier in the year, dealers do not have enough inventory to support a show this year. Hopefully next year will be different. The PowerSport Show was a major fundraiser for PSSA in the past. Now we need to depend on our Raffles and donations for support. Please help sell the up-coming Fall Raffle tickets. If you can sell more tickets please contact Kathy Woolever (member@pasnow.org).

Every year PSSA receives a complaint about the plowing of joint-use roads. We all need to be proactive and communicate with or perhaps attend a local supervisors meeting before this happens again. In my experience local elected officials will try to help mitigate a situation if they are approached in a timely and courteous manner. Offer to help if they want help with projects. Communication is key.

The PSSA Board approved the completed applications for grants for cameras. Checks should be in the mail shortly. Please remember to document time and expenses. We need this information.

Lori Elliott, Grants Administrator, recently completed Round 28.1 application. PSSA is asking for more money for club projects. We do not anticipate this money until next year. In the meantime we need all clubs to return the CLUB INFORMATION AND INCOME EXPENSE SHEETS to me. If you did not receive one for your club let me know and I can mail you one. This information is important to document what PSSA is asking in terms of grants for our clubs. PSSA also needs up-to-date club information. Clubs need to be kept informed of issues, comments, concerns and possible grants.

MOVING FORWARD

Clubs are encouraged to hold Safety Classes for those young potential riders. It is important that they receive “Hands On” experience with their training.

Yes, PSSA continues to meet with DCNR personnel. We are looking for facts before a decision is made on an increase in the Registration Fee.

I anticipate the PSSA Board will hold another fall meeting with representatives of all clubs. Start thinking about what you need to know. What does PSSA do for you? How can you help?

Reminder: Snowmobile Celebration is October 29th. What is your club doing to advocate for snowmobile recreation?

Think Snow!

Liz Krug, President PSSA

Additional State Forest Roads Opening Across The State For Hunting Seasons, Other Outdoor Activities

Harrisburg, PA -- Hunters and outdoors enthusiasts heading into Pennsylvania's state-owned woodlands this autumn will find additional roads open in 18 of the 20 state forest districts, the Department of Conservation and Natural Resources (DCNR) announced today.

"This improved accessibility, coupled with DCNR's promotion of deer hunting, benefits forest regeneration and the overall ecosystem," said DCNR Secretary Cindy Adams Dunn. "DCNR will be opening more than 533 miles of state forest roads that are normally only for administrative use. They again will be available to hunters, hikers, foliage viewers, and others visiting state forestlands this fall."

Inaugural Snowmobile Day to take place October 29, 2022

First Snowmobile Day in North America To Take Place This October

The first annual Snowmobile Day is set to take place on October 29, 2022 in anticipation of our favourite winter pastime.

The International Snowmobile Manufacturer's Association (ISMA), which is comprised of the 'Big 4' snowmobile manufacturers—Arctic Cat, BRP (Ski-Doo and Lynx), Polaris and Yamaha—is pleased to promote a day to celebrate the snowmobiling community, family and preparation activities for the upcoming season.

The inspiration for the event can be traced to "Snöskoters Dag" in Sweden, an annual celebration that has been going on for more than 45 years.

The PA Snowseekers 2022 Golf Outing

The PA Snowseekers held their Annual Golf Outing the weekend of August 27th. The Outing started Thursday the 25th with a few members coming up early to play the Clarion Oaks Golf Club in Clarion, PA. After the round, they headed up to the PA Snowseekers Clubhouse in Highland Corners, PA to get the Clubhouse ready to accommodate our 32 golfers.

On Friday the 26th, four groups (16 golfers) headed to St Mary's, PA to play the beautiful hill top Bavarian Hills Golf Course. The weather was perfect and it truly was a beautiful day. This was followed up by a trip down the hill to the town of St. Mary's where we visited the Straub Brewery and enjoyed ourselves at the Eternal Tap. After that we returned to the Clubhouse and prepared a lite dinner of hamburgers and hot dogs and had a beautiful evening outside by the bonfire enjoying games and music.

The PA Snowseekers 2022 Golf Outing

On Saturday the 26th, a few members got up at 5:30 AM to start breakfast and to ensure that our 32 golfers were feed and left on time for the course. Our round Saturday was at Pine Acres Golf Course in Bradford, PA with tee times starting at 9:00 AM. Again, the weather was beautiful and everyone had a great time. This was followed up back at the Clubhouse where a steak dinner with all the trimmings was served. After dinner, the Awards Ceremony was conducted and we presented prizes for 1st and 2nd places along with skill prizes for Closest to the Pin (4) and Longest Drive (2). Then door prizes were presented to everyone in attendance. We concluded the day outside playing Corn Hole and Light/Right/Center listening to music and enjoying a nice bonfire into the early morning. It truly was and always is a remarkable weekend with our friends.

I would like to recognize our members that were instrumental in working so diligently to make our Golf Outing a success this year; Jim Hart, Lori Talik, Dean Cercone, Rich Hayes and Jim Wright. Thank you ALL and we look forward to doing it again next year!

President PA Snowseekers

Glendale Lake SMC

Greeting from Glendale Lake Snowmobile Club. The weather report tonight is calling for temps in the 30's. It's coming.

The club has a very full schedule thru the fall. Our Season Kick Off Picnic, Powersports Show and Sled Giveaway was a huge success. Thanks to all the Club and Picnic Sponsors that helped make this event a success. It seemed like everyone when home with a prize. And don't forget all the delicious food.

The picnic was followed by two trail fix up days. Next up is the Prince Gallitzin State Park CiderFest where we'll have a booth and our volunteers will run the pontoon boat shuttle to the auxiliary parking area. Two weeks after that is our annual fall clean-up of all the trails in the park – work but a fun time. Yet to be finalized in the date for the new trail construction in the Park. This new trail will complete the link from the South side to the North side of the park. It will also give Snowmobilers access to the Cabins for overnight stays in the park. It will also give you access to the charging station if you have one of the new electric snowmobiles. We're anxious to get this missing link completed. And our final Trail Fix-up and Clean-up will involve the trail to Sandy Ridge and Black Moshanon State Park where we continually make improvements.

Glendale Lake SMC

Plans are already in the works for our float in the Christmas Parade and Christmas Party. Not only is trail construction taking place but so is our Website construction. www.glendalelakesnowmobileclub.com has been launched and looks amazing. Be sure to check it out and check out our new webcams. For activities it's still best to check in at our Facebook Group page for daily information. <https://www.facebook.com/groups/864367483745347>.

Our Club is located in south central PA, about 1.5 hours east of the Laurel Highlands and about 45 minutes west of Black Moshanon State Park. We're not far from Ebensburg and Altoona. If you're from this area or ride in this area, we urge you to join our club. We meet the first Monday of the month, year round at 7:30 PM at the Patton Sportsman's Club. We have a great time at our Club Meetings. We take care of business, enjoy some great food if you're hungry, and swap some real good sled stories. Come join us. Stay safe till then.

Grand Canyon SMC

Every year with the fall season comes trail-clearing time for many snowmobile clubs including ours. On Sept. 24th. our club held its annual work detail while combining it with our annual club picnic. In today's busy times clubs struggle to get the help needed to complete the tasks at hand to keep our trails open for snowmobilers. We had a decent turnout with fourteen men and women participating that included a very helpful youngster all helping complete whatever needed to be done. The foliage always seems to grow regardless of whether we have a wet or dry summer season making for a full day of clearing, not to mention the numerous downed trees that were across the trails.

As many of you know a section of our South rail bed will now be permanently closed. **The section that will be closed begins right behind our clubhouse and ends at the Pine Creek Outfitters access road.** The South rail bed from the Pine Creek Outfitters access road to the Burnin Barrel will remain open. Also, the 2.8 stretch of South rail bed from the Log Cabin Inn to the snowmobile clubhouse will remain open.

The North Meadow Trail will now be our main route to our clubhouse starting at the Colton Rd. which is located on the North side of Route 6. The trail will start behind the Burnin Barrel, cross RT. 6 and past the red barn following signs onto the North Meadow trail to the clubhouse.

A big shout out to Ed Holden who graciously donated forty-four ton of 2RC stone toward the North Meadow Trail improvement project. Thanks Ed!

Grand Canyon SMC

While the trail crews were busy getting the trails in shape for this coming season the ladies were busy in the clubhouse preparing a WONDERFUL picnic for everyone that included burgers and hotdogs on the grill and much, much more.

As a reminder we'll again be pumping 89 OCTANE GAS FROM OUR TANK AGAIN THIS WINTER TO CLUB MEMBERS at our clubhouse on weekends from Saturday 10A-5P and Sunday 10A-3.

In closing I'd like to thank the following volunteers who helped make our annual work detail -club picnic day possible: Tom & Aine Byrne, June Baney, Dave & Belinda Frost, Cheryl Gross, Bob & Bobby Prettyman, Rick Prettyman, Walt Domarew, Diane Tshudy, Vic Ferree, Walt Murphy and myself Jim Baney

DONATIONS APPRECIATED

The PA Powersports Show is the #1 way our organization raises money to advocate for and support snowmobiling in Pennsylvania. We are in the process of raising \$20,000 to make up for this loss of income and are asking that you consider a donation to PSSA in addition to your membership dues. Please also consider a monetary donation in lieu of your usual PA Powersports Auction item if you've supported us this way in the past. We would be very grateful.

Your donation will be used to help PSSA establish and maintain important connections with local clubs to exchange ideas and share important technical information and education on all snowmobile areas of interest. PSSA also works with both federal and state government agencies to preserve and enhance trails and riding opportunities. Our focus includes preserving our natural resources and the environment as well as advocating for the safety and general welfare of snowmobiling. You can make a difference for the good of snowmobiling in Pennsylvania when you send in your donation with your membership dues and raffle ticket funds! Together, let's ensure that all snowmobilers can have safe, fun, and available trails to ride in Pennsylvania!
