PSSA Clubs Fundraising Opportunity!

PSSA's fall raffle will provide a unique opportunity for PSSA clubs raise funds while at the same time supporting the PSSA raffle.

All raffle tickets will cost \$20 each or 4 of any tickets may be purchased for \$70. Clubs who wish to participate should collect raffle tickets and funds and submit raffle tickets to PSSA, keeping 10% of funds for your club. Club members may submit their raffle tickets through the local club to keep 10% of funds with their club. Look for an early mailing of tickets to clubs this month!

MOVING FORWARD

October 2023

Hello everyone,

Fall is here and trail work has started! The DCNR Round 28.5 grant money has been sent out. If your club is doing any trail work for a DNCR grant, please send a picture and information to the PSSA Keystone Snowmobiler. We need to let other people and clubs know what your club is doing with the grant money. Please send pictures to member@pasnow.org.

PSSA is teaming up with PAOHV (Pennsylvania Off Highway Vehicle), on the registration fund increases. Teaming up with them puts us at about 400,000 off road vehicles. These higher numbers will give us more voice when it comes to registration increases. We will keep you all posted on this effort.

The Map Gears program is still in the works for year one. We have applied for a grant for the second and third year as well. We will know something in November about this plan.

Finally, our raffle tickets are being sent out with our membership renewal form. If you buy or sell any tickets, please hand them in to your club. Your club will receive 10% of the sales. This is a good fundraiser for PSSA and your club.

Hyner Mountain SMC

The Hyner Mountain Snowmobile Club's annual youth Pennsylvania snowmobile safety course will be conducted on Saturday, November 4, 2023 at the Hyner Mountain Snowmobile Club lodge, which is located along Route 44 approximately 6 miles north of Haneyville, PA in Clinton County.

Pennsylvania's Snowmobile Law requires youngsters between the ages of 10 to 15 to earn a safety certificate before they may lawfully operate a snowmobile in the state, except upon lands owned or leased by their parent or legal guardian. The course is free for all participants.

The goal of the course, which was developed and is administered by the PA Department of Conservation and Natural Resources, is to develop safe attitudes and practices in all keystone state snowmobilers. Student manuals and workbooks will be utilized to illustrate the sport's basic principles and safety concepts. The course content will cover winter clothing, machine safety, and snowmobile laws and regulations. Class participants qualify for their certificate by completing their workbooks and achieving a score of 80% or better on the final examination.

Course instructors include Hyner Mountain Snowmobile Club Members Rich Ebersole of Cornwall, PA and Harrison Langley, Jr. of Palmyra, PA and Henry Hartman of Hanover, PA.

The team of DCNR-certified instructors conducting this course have 131 years of combined and varied snowmobiling experience around North America and the world. So, come prepared to have fun and learn in-person from experienced snowmobilers.

Plus, there will be gear and equipment and a modern snowmobile for students to experience and ask questions about.

Hyner Mountain SMC

Unlike the DCNR's on-line course, there is NO FEE TO ATTEND, you will receive your safety certificate at the end of the course vs. waiting and hoping for it to arrive via US mail, and the Hyner Mountain Snowmobile Club will even provide a FREE lunch to all attendees.

Parents are to accompany their children to registration so that the required forms may be completed. Registration begins at 7:30 AM; class starts promptly at 8:00 AM and will end by 4:00 PM. The Hyner Mountain Snowmobile Club will provide lunch.

Pre-registration is required. Adults are encouraged to stay for the day to attend the course with their youth students or join the club's members in the living room area of the lodge for a day of conversation and fellowship around the lodge's mountain stone fireplace. The club's parking area provides direct access to both the Sproul and Tiadaughton State Forest trail systems, so come and discover why the club's motto is "a great place to park your sled and rest your head"!

The Hyner Mountain Snowmobile Club is located approximately five (5) miles north of Haneyville. From the intersection of Route 44 and Hyner Mountain Road, continue north (straight) on Route 44 and look for Pat Reeder's Tavern on the right. At the end of Pat Reeder's driveway, look for the gravel road on the left which is marked by a green road sign: "Reeders Addition Lane". Make a left onto Reeder's Addition Lane and proceed to the end where the lane splits into three (3) separate driveways. Take the middle, gated driveway to the Hyner Mountain Snowmobile Club lodge which is a large, 2-story brown building. The club's parking area encircles the lodge.

To pre-register for the course at the Hyner Mountain Snowmobile Club, please contact Dan Casey at 570-875-3006 or dcasey@ptd.net

Take a Friend Snowmobiling

HASLETT, MI, September 12, 2023: The Take a Friend Snowmobiling campaign, which will be held February 10-19, 2024, has been supported by the snowmobile community over the years. Snowmobile Clubs and Associations across North America have taken Military Personnel snowmobiling, coordinated Enlightenment rides with land managers, and often just have fun organizing snowmobile rides with friends and family. The trails and riding areas in many parts of North America are amazing and offer great opportunities to take friends snowmobiling.

The Take a Friend Snowmobiling rides highlight the “wow-factor” and the pure enjoyment that people have when they first ride a snowmobile. First-time snowmobilers can’t quit talking about how much fun the ride was. When you take a friend snowmobiling, remember this may very well be their first time on a snowmobile. Chances are that your normal ride would seem like a marathon to an uninitiated friend. Let your friend enjoy that first day of snowmobiling. Again, enjoy the ride, make it relatively short, make it simple, and remember that it is always a good idea to feed your guests.

The Take a Friend Snowmobiling campaign is also joined with the Safe Riders! Campaign. We have a 13-chapter Safe Riders video series that can be found on our website at: <http://www.snowmobile.org/snowmobile-videos.html> . The chapters are a great tool when introducing a friend to snowmobiling and will help make the ride more enjoyable for everyone.

You should also visit and “Like” our Facebook page before participating in a Take a Friend Snowmobiling event. Our Facebook page is www.Facebook.com/GoSnowmobiling . When looking at the page you will notice many snowmobilers sharing pictures and their experiences on the page. We have thousands of Friends who visit regularly and it is common for snowmobilers to send out informative posts that are forwarded to thousands of snowmobile enthusiasts worldwide. There is a short general survey on our Facebook page, so

Take a Friend Snowmobiling

when you visit the page, consider answering a few simple survey questions. We are constantly surveying snowmobilers to see how we can better serve you and how we can help you enjoy your snowmobiling activity.

When you consider putting together a Take a Friend Snowmobiling ride, just remember that individuals who don't own a snowmobile have a high interest in going snowmobiling. People that you know, who don't snowmobile, want to snowmobile. They also want to go snowmobiling for the same reasons you do:

- a. To enjoy the scenery
- b. To get outdoors to have fun with family and friends
- c. To go to unique places that they can't reach any other way to see amazing sights
- d. To have fun in the winter outdoors and be able to go home tired and be ready for a good night's sleep.

So please, go out and have fun, take a friend snowmobiling, and enjoy this wonderful winter. The link to the "Take a Friend Snowmobiling Campaign Action Manual" for ideas on putting together an event is:

DCNR funds snowmobile and ATV trails in northern and central PA

More than \$1 million is going toward recreation companies in central and northern Pennsylvania for snowmobile and ATV trail maintenance and construction.

The Department of Conservation and Natural Resources is awarding \$677,200 to Rock Run Recreation Inc. to rehabilitate ATV trails in Cambria and Clearfield counties. Central Mountains ATV Association Inc. is getting \$320,000 for a trail in Clinton County.

DCNR is also granting \$126,000 to Tri-County Snowblazers and McKean Area Snowmobile Club to go toward buying equipment and maintaining and constructing 252 miles of snowmobile trails in Warren, Crawford and Erie counties.

Representative Kathy Rapp, who serves Warren, Forest and parts of Crawford counties, said outdoor sports are important to the area.

“So I think if some of that money can be returned to the snow belt areas of Pennsylvania where they enjoy snowmobiling, that's a good thing,” Rapp said.

Rapp also said the trails will promote tourism in central and northern Pennsylvania.

See the full list of funding in central and northern Pennsylvania below:

- Rock Run Recreation, Inc., \$677,200 to rehabilitate approximately 30.5 miles of the 140-mile ATV trail system at Rock Run Recreation Area in Chest Township, Cambria County and Chest Township, Clearfield County.
- Central Mountains ATV Association, Inc., \$320,000 to design for the development of approximately 6 miles of the Whiskey Springs to Bloody Skillet ATV Connector Trail in South Renovo Borough, Clinton County.
- Tri-County Snowblazers, Inc., \$115,000 to purchase equipment to maintain and construct approximately 90 miles of snowmobile trails in Erie, Warren and Crawford counties.
- McKean Area Snowmobile Club, Inc., \$11,000 to purchase equipment to maintain and construct approximately 162 miles of snowmobile trails in Erie, Crawford and Warren counties.

What's going on?

Stay up to date on the latest snowmobile news and information!

The American Council of Snowmobile Associations (ACSA) is a national organization that was formed to unite the snowmobile community. Because snowmobiling is enjoyed by millions of individuals across the United States, it was imperative that a strong national organization be formed. ACSA is that organization.

ACSA is your voice for snowmobiling on national issues. Many snowmobilers are mistaken when they think national issues have no impact on their snowmobiling. Across the United States there are thousands and thousands of miles of snowmobile trails on public and private lands. Will these lands remain open for snowmobiling in the future? Long term use of the lands is no longer certain. Only the unified voice of the entire snowmobile community will help to guarantee the continuation of our sport.

ACSA is committed to the future preservation of our sport. We cannot do this without the help and participation of all snowmobilers. Assure the future of snowmobiling, become involved in ACSA today!

Dutch Trail Cutters Celebrate 50 Years

by Henry Hartman

In the fall of 2021, we started to tell you about the history of the Lancaster County based Dutch Trail Cutters Snowmobile Club, which was formed in early 1971. Here is a flashback from 50 years ago.

An earlier article in the series mentioned the club purchasing 5 acres of land in Havice Valley, Mifflin County, in 1972. In July 1973, there was discussion about getting electric lines run to the property. Several other landowners along the private lane into our ground were also interested in electric service but not all of them would commit to the expense. The club decided to wait until more neighbors agree to the service, since the club property is the last one on a half-mile long dead-end lane. At the August club meeting it was reported the taxes on the land were paid: a whopping \$ 7.20 fee ! In September 1973, the club members approved having the electric company place a pole on the land at a cost of \$ 350.00.

At the October 1973 club meeting, two members reported having attended the PSSA Annual Meeting. Among the news: "Game Commission said more trails will be opened. DER said bill was passed for snowmobile registration and they will handle it. Will be \$10.00 every 2 years. Money will be used to make more and better trails for all recreational vehicles." During the same meeting, members voted to form a Building Committee and have them research constructing a 28 x 40 clubhouse.

Today, 50 years later, the Dutch Trail Cutters are still a 100% PSSA club! Every member of the club is also a member of the State organization, supporting snowmobiling across the entire Commonwealth. In future articles, we will reveal how the clubhouse was built. The Dutch Trail Cutters Snowmobile Club has memberships available. If you are an active snowmobiler and would like more information, write to: DTC, c/o Ervin Nolt 10 North Hershey Ave. Leola PA 17540 or call 717-633-5081.

Snowmobile Day - October 28th!

The snowmobile manufacturers are pleased to announce Snowmobile Day, happening on October 28, 2023. Snowmobile Day is a day to celebrate the snowmobiling community and begin preparations for the upcoming season. Snowmobile clubs, local dealers, associations, and snowmobile groups are invited to participate.

Snowmobile Day is being patterned after the successful "Snöskoters Dag", held in Sweden for over 45 years. The celebration in Sweden started in the 1970s and expanded rapidly through the 1980s as snowmobiling in Sweden expanded. The success of the event is traced to creating a fun family party, with involvement from clubs, associations, media, dealers, and other industry stakeholders.

Snowmobile clubs are encouraged to begin the season with a party that might include games, activities and more such as:

- A "Show and shine" event featuring vintage and custom snowmobiles
- Having towing and groomer vehicles on display
- Safety training class
- maintenance and winter check-ups for snowmobiles and trailers

Snowmobile Day should be a fun, family festival type event, where BBQ, refreshments, music, and an open house can get snowmobilers excited for the upcoming season. Snowmobile Clubs are encouraged to participate in the activities and serve food, coordinate special events, conduct safety classes, sell trail or riding permits, and registrations. This is a great opportunity for clubs and associations to increase membership and recruit volunteers for trail maintenance activities.

Snowmobile associations and clubs are encouraged to contact local Snowmobile Dealerships, Chambers of Commerce, Visitor and Convention Bureaus, and regional media to support and help with a local event.

Planning a Snowmobile Day celebration is a perfect opportunity to bring enthusiasts together in kicking off the season and enjoying the snowmobile family lifestyle. The snowmobile manufacturers of ISMA want to support Snowmobile Day in North America by offering up to \$200 to snowmobile clubs or associations that plan a Snowmobile Day Celebration. If your club would like to be considered for this offer, please [click here to fill out the application](#).

DONATIONS APPRECIATED

The PA Powersports Show is the #1 way our organization raises money to advocate for and support snowmobiling in Pennsylvania. We are in the process of raising \$20,000 to make up for this loss of income and are asking that you consider a donation to PSSA in addition to your membership dues. Please also consider a monetary donation in lieu of your usual PA Powersports Auction item if you've supported us this way in the past. We would be very grateful.

Your donation will be used to help PSSA establish and maintain important connections with local clubs to exchange ideas and share important technical information and education on all snowmobile areas of interest. PSSA also works with both federal and state government agencies to preserve and enhance trails and riding opportunities. Our focus includes preserving our natural resources and the environment as well as advocating for the safety and general welfare of snowmobiling. You can make a difference for the good of snowmobiling in Pennsylvania when you send in your donation with your membership dues and raffle ticket funds! Together, let's ensure that all snowmobilers can have safe, fun, and available trails to ride in Pennsylvania!
