MOVING FORWARD

January 2024

Hello, everyone, and Happy New Year!

As I am writing this, I am hoping for a good snowmobile riding season. Let's all THINK SNOW for January, February and March!

PSSA will be working on the following projects in 2024:

- MapGears will be up and running in January as a limited pilot program. Watch the monthly Keystone Snowmobiler for new details as things develop.
- In February, the Presque Isle Snowmobile Club will host the Legislature Ride.
- The Spring Meeting will be on April 13th, 2024. Please put this date on your calendar and plan to attend! This is the meeting where everyone can come, participate, and give our PSSA Board of Directors ideas and input for the future of snowmobiling.
- Clubs can apply for DCNR grants to help with their maintenance of trails and groomer repairs.
- The PSSA Powersport Show is in the process of being planned for October 25 -27, 2024. It will include the Fall Raffle and drawing. We are teaming up with the Pennsylvania Off Highway Vehicle Association (PaOHV) to make the return of this show bigger and better.
- We continue to advocate for increasing benefits for snowmobilers in Pennsylvania. One of the things we are watching closely, and are very involved in, is the proposed increase in yearly snowmobile registration fees.

Please check your Keystone Snowmobiler for all the details of these projects in 2024.

Thanks to everyone and THINK SNOW!

Rich Hayes

Are you ready for it?

Trail Map App coming soon!

PSSA is contracting with MapGears this fall for a trail map app – a needed enhancement to the snowmobiling experience in Pennsylvania. The first year will be a pilot program with a limited number of state trails and a limited number of participating club trails. Getting the MapGears application up and running is a major work in progress as we continue to load more trails, more trail conditions, and more features over time continuing into next year. Robert Housley, currently on the PSSA Trail Committee and the Region Nine PSSA Director, will be the super user administrator to coordinate the implementation and each club will have someone assigned to keep their trails updated. We are very grateful to Zippo Outdoors for their generosity! We ask everyone to support this company that supports PSSA and snowmobile riding enthusiasts whenever possible.

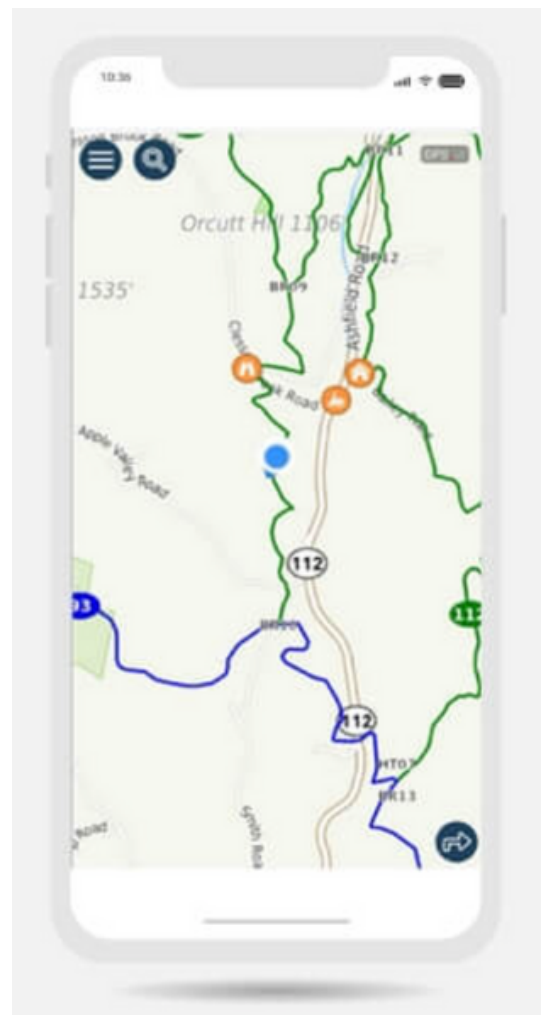

Training for interested clubs has begun.

Please reach out to trails@pasnow.org to let us know if you want to participate. Send your club maps in one of these formats:

CSV//SHP/TAB/GPX/KML/GDB/VRT/Geo JSON

Zippo Outdoors has graciously agreed to provide the Pennsylvania State Snowmobile Association (PSSA) the necessary funding to get MapGears up and running for the first year! MapGears is a proven program that has both a website and a phone APP and is being used by most snowmobile states here in the United States of America as well as by provinces in Canada. We are very excited to be able to move forward with this Mapping, Trail Conditions, and GPS program.

Trail Maps App Coming Soon!

This is the PSSA disclaimer for the MapGears app:

Snowmobilers and trail users shall indemnify and hold harmless the Pennsylvania State Snowmobile Association, DCNR and participating Pennsylvania Snowmobile Clubs against and from all actions, suits, claims, charges, liability, loss, costs and expenses which may result from the use of the MapGears app. Trail routes, conditions, closures, etc., may change and is not the responsibility of the PSSA, DCNR or participating Pennsylvania Snowmobile Clubs. Please be aware that this is a Pilot Program. All the features and trails will not be accessible in its entirety for the 2023/2024 season.

Thank you Zippo for supporting PSSA's new trail map app!

Bear and Deer Camps

We had a good turnout for our Bear Camp this year. We had over 20 members and guests and it was a great time with some amazing food and of course, a lot of laughs. Unfortunately, no one got a bear. Hopefully next year will be better for our hunters.

Bear Camp was followed up with our Deer Camp right after Thanksgiving. We had about 15 people participate along with some younger hunters to get a chance to experience the great outdoors. A few hunters were successful at getting several good size deer and earn their bragging rights for the year. And as always, it was a great time!

I would like to thank the members that attended our Hunting Camps for the work they did before, during, and after. Without them, it just doesn't happen!

Breakfast with Santa

We brought in the Holiday Season by celebrating Breakfast with Santa on Saturday, December 9th. Santa, along with one of his helper Elf's, joined us at Saint Paul's Lutheran Church in Zelienople, PA. We had around 60 plus participants that include well over 20 children. The kitchen was busy preparing various breakfast items and was served around 9:30. There was an art project for the kids where they assembled a Christmas Stocking filled with candy canes and other festive items.

And then Santa Arrived!

Everyone gathered around Santa and his helper Elf. Then Santa sat down with each child, listened to their Christmas wishes and presented them with a personal gift.

It truly was a special day and I would like to thank Loretta Hayes, who was the Event Coordinator, as well as our members that worked hard in planning and executing the Breakfast. Without their efforts, it just doesn't happen!

International Snowmobile Safety Week

JANUARY 13-21, 2024

The theme of International Snowmobile Safety has never been more appropriate than now. The International Snowmobile Manufacturers Association, that unites all four snowmobile manufacturers, has developed the responsible snowmobiling program titled: Safe Riders! You make snowmobiling safe. All snowmobile associations / federations, clubs, affiliates, government administrators, and enthusiasts are encouraged to participate in the program.

Materials that are available include: posters, the fact book, a safety video series that can be downloaded, public service announcements, a web site with other helpful and useful resources: www.snowmobile.org

8 Things to Do in Pennsylvania in Winter

Cooler temperatures inspire loads of winter fun in Pennsylvania, from ice boating and ice fishing to snow tubing and snowmobiling. As Old Man Winter works his magic in Pennsylvania, sparkling ice-frosted trees and snow-dusted beauty abounds in state parks and forests bustling with outdoor fun for all ages. Add one or more of these fun-filled outdoor activities to your Keystone State winter bucket list.

1. Dogsledding

Dogsledding excursions supply tail-wagging experiences amid Pennsylvania's gorgeous snow-carpeted landscapes. The adorable and athletic Alaskan Huskies at [Nemacolin](#) power [snowy treks](#) across the southwestern PA countryside. No snow, no worries! Their sled dog team will pull a special wheeled sled called a Touri Cart when snowy conditions and temps are less than ideal for a glide across the snow. The indelible outing is enhanced with a kennel tour for a meet and greet with the pups who make up their phenomenal sled team.

2. Snowmobiling

Get your motor running on thousands of miles of roads, trails, and fields open for snowmobiling in our state forests and parks and federal lands. Opportunities abound, from scenic paths through woods to straightaway runs on closed-to-cars roadways. Most routes are open from mid-December to early April; check [current dates and trail conditions](#).

[McKean County](#) has more than 140 miles of trails that connect to an additional 365 miles of groomed pathways within the [Allegheny National Forest](#), with the [Bradford](#) and [Marienville](#) Snowmobile Trailheads offering the perfect launching point for your wintery rides. Other popular places to snowmobile include [Bald Eagle State Forest](#) in central Pennsylvania, which boasts 250 miles of roads and trails open for snowmobiling, and [Tioga State Forest](#) in [northern PA](#), where 177 miles of trails draw riders from near and far.

8 Things to Do in Pennsylvania in Winter

3. Cross-Country Skiing

While Pennsylvania has a robust roster of [ski resorts and areas](#) for downhill enthusiasts, the state also boasts plenty of opportunities for those who prefer the peace and tranquility of cross-country skiing. Hit groomed and ungroomed trails in state and local forests located in Sullivan and Wyoming counties in the [Endless Mountains of Northeastern PA](#). Book a stay at a friendly lodge for a multiday adventure; the [Eagles Mere Inn](#), a member of the Historic Hotels of America, is just two blocks away from the [Conservancy Trails](#) — perfect for cross-country skiing, and [Eagles Mere Lake](#).

A hub for hikers and bikers in the summer, the 150-mile [Great Allegheny Passage](#) is regularly groomed for cross-country aficionados on the portion that passes through [Ohiopyle State Park](#). [Presque Isle](#) and [Parker Dam](#) State Parks also become Nordic wonderlands when summer's pathways transform into pristine ski zones.

4. Snow Tubing

If you're looking for a fun-filled snowy adventure that requires practically no special skills or equipment, then try snow tubing — a fantastic alternative offered by many Pennsylvania ski areas. And forget dragging your ride up the hill — magic carpets and rope tows do all the work for you! [Camelback Resort](#) in the [Pocono Mountains](#) boasts the largest tubing park in the U.S. with more than 40 sledding lanes, while [AvalancheXpress](#) at Heritage Hills Golf Resort in York has a seven-story, 900-foot tubing hill.

Mercersburg's [Whitetail Resort](#) is also known for its excellent sledding terrain; book a tubing party or purchase a two-hour block of riding time. For an old-fashioned ride, try [Eagles Mere Toboggan Slide](#), which has amused kids of all ages since the early 1900s.

5. Iceboating

A mix of sailing, ice skating and sledding, ice boating is an ideal endeavor for extreme recreation enthusiasts. Iceboats, essentially sailboats with sled rails, can glide up to 70 miles per hour across frozen surfaces. Set sail on the frozen waters of 19 Pennsylvania State Parks, including Moraine, Codorus, Beltzville, Pymatuning, Black Moshannon, and Presque Isle (state launch permits are required). Those who've never sailed on ice should consider connecting with the Erie Yacht Club, an excellent resource for first-timers.

8 Things to Do in Pennsylvania in Winter

6. Ice Fishing

Home to more than 2,500 lakes, Pennsylvania teems with outstanding ice-fishing locales in the wintertime. Hot picks for ice fishing include Lake Chillisquaque at Montour Preserve in Danville, where schools of yellow perch, northern pike, and walleye hide under the ice, and Crooked Creek Lake, a hangout for bass, musky, sunfish, and crappie just 30 miles northeast of Pittsburgh.

Lyman Run State Park near Coudersport is known for rewarding anglers with catches of rainbow and palomino trout, while Black Moshannon State Park near Philipsburg has yellow perch, bluegill, northern pike, and largemouth bass.

7. Ice Skating

Whether you're a beginner or advanced skater, Pennsylvania has divine surfaces for gliding outdoors on picturesque lakes and reservoirs. [Cook Forest](#), [Gifford Pinchot](#), [Nockamixon](#), and [Presque Isle](#) State Parks and [Green Lane](#) and [Oxford Valley](#) parks are just a few of the many PA lakes and ponds offering ice-skating fun. [Cook Forest State Park's](#) lighted pond offers a fire ring, skate rental, and a nearby sledding hill.

For an urban delight, consider the [Rothman Orthopaedics Ice Rink at Dilworth Park](#) in Philadelphia, which has a warming hut with hot chocolate, coffee, and snacks, while the [Earl E. Schaffer Bethlehem Municipal Ice Rink](#) has an outdoor Olympic sized rink and offers an adaptive skate session for those with special needs. [Find more places to ice skate in PA.](#)

8. Carriage Rides

For a relaxing and romantic cruise through Pennsylvania's postcard-worthy winter woodlands, book a horse-drawn carriage ride. [Gateway Lodge](#) in Cooksburg offers beautiful rides along snow-dusted trails in the heart of Cook Forest — a perfect way to enjoy a winter stay at this iconic property.

To learn about more winter adventures in Pennsylvania, check out the [visitPA website](#). Follow them on [Facebook](#), [X\(Twitter\)](#), and [Instagram](#) to stay up-to-date on even more great ideas and places to visit around our state.

DONATIONS APPRECIATED

The PA Powersports Show is the #1 way our organization raises money to advocate for and support snowmobiling in Pennsylvania. We are in the process of raising \$20,000 to make up for this loss of income and are asking that you consider a donation to PSSA in addition to your membership dues. Please also consider a monetary donation in lieu of your usual PA Powersports Auction item if you've supported us this way in the past. We would be very grateful.

Your donation will be used to help PSSA establish and maintain important connections with local clubs to exchange ideas and share important technical information and education on all snowmobile areas of interest. PSSA also works with both federal and state government agencies to preserve and enhance trails and riding opportunities. Our focus includes preserving our natural resources and the environment as well as advocating for the safety and general welfare of snowmobiling. You can make a difference for the good of snowmobiling in Pennsylvania when you send in your donation with your membership dues and raffle ticket funds! Together, let's ensure that all snowmobilers can have safe, fun, and available trails to ride in Pennsylvania!
